Foreword

The moments of our school years are fleeting, and once spent, are gone forever.

It is not our wish that the moments of joy and sorrow, of excitement and boredom, and anxiety and anticipation, of thrill and romance should forever disappear in the ethereal. It is rather, our desire that these treasured moments be made realities, tangible moments which will become immortal through the pages of this, your 1961 Conestoga.

The staff has spent many hours gathering and garnering moments which you the students of North Miami have shown to be your favorites, scenes from your favorite sporting events, thrilling and romantic moments of your social life, the excitement of awards and honors, and the "punch" of the announcement of the Pioneers.

We hope that in preparing this modest array of moments, we have served you, have designed for you, a container from which you may sip, as the years fly, of the delectable vintage of your past at North Miami High.

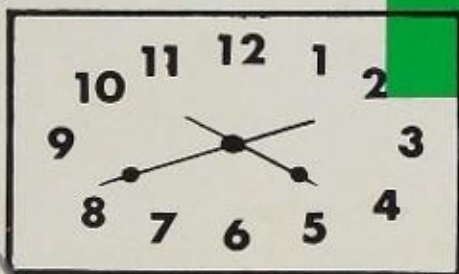

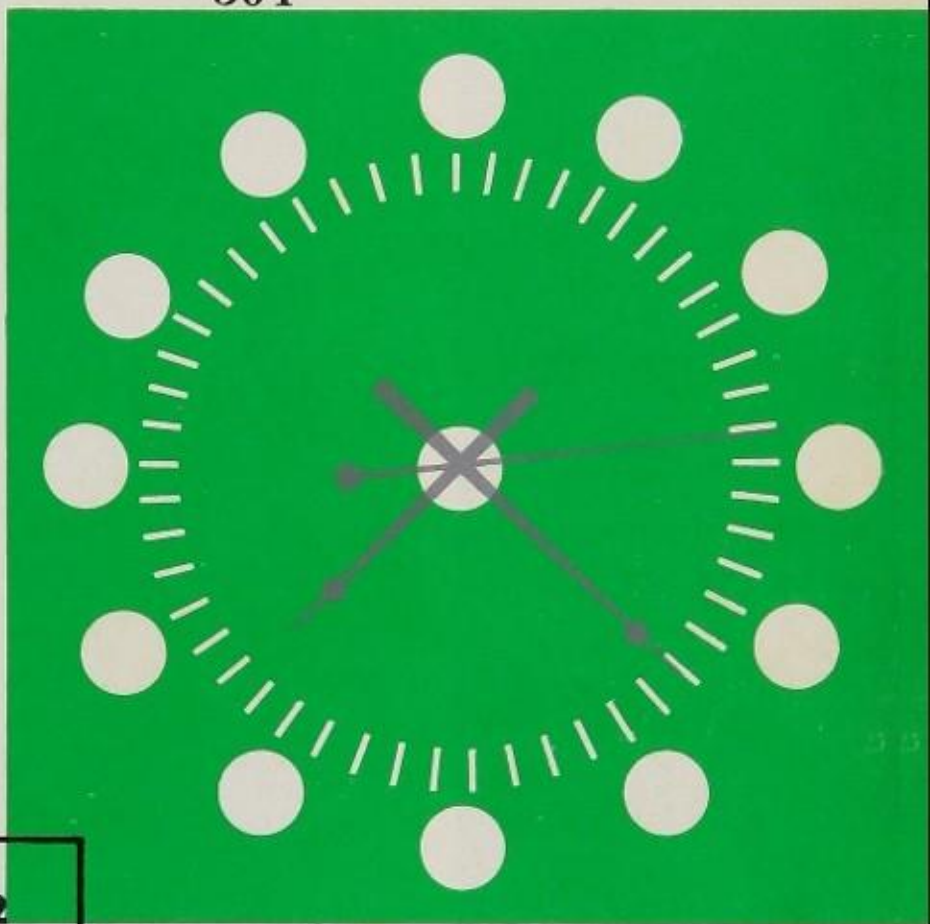

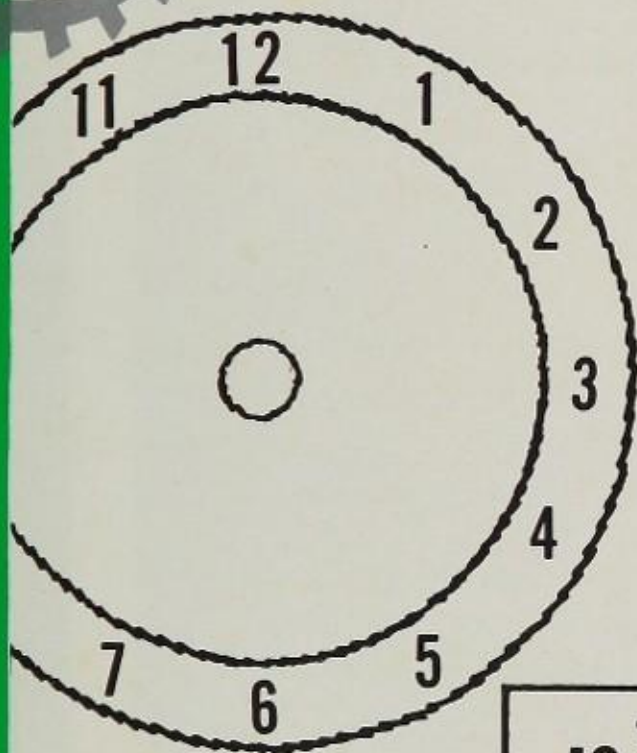

Presented here are the captured moments

Auditoriums filled with silence . . . stadiums overflowing with noise . . . dance floors crowded with happy people . . . walkways silent and naked in the noonday sun . . . classrooms rippling in waves of faces, noisy or quiet, crowded or vacant, which are recognizable as the scenes of memorable moments.

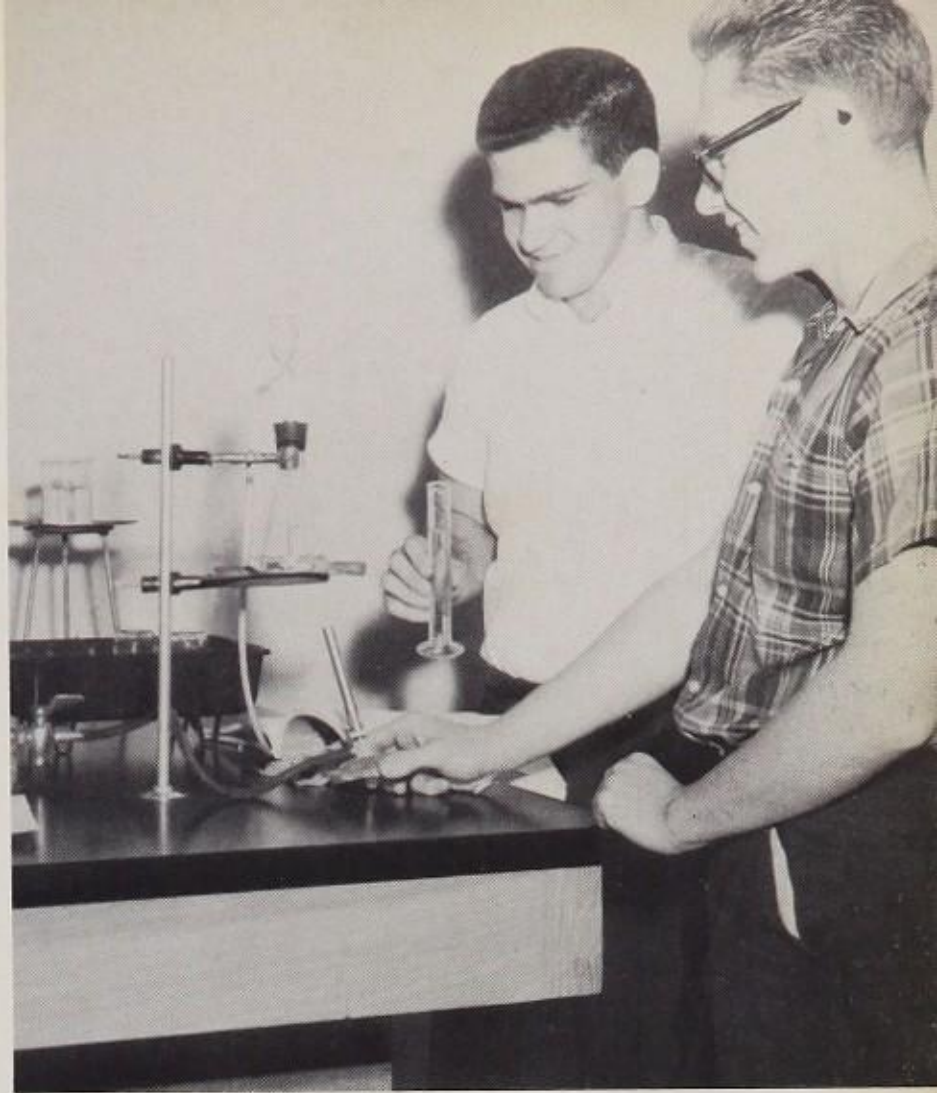

Where were the sights of your magic moments? The Senior Walk? The Davison Patio? The Chemistry Lab? The dance floor? The football stadium? Memories are composed of places. The most commonplace walkway may sparkle with significance. The Chemistry lab, emitting the odors of an unrecognizable substance, may hold for some an undefinable fascination.

Whether bustling or silent; whether standing proudly and erect in the tropical sun, or glowing softly in the twilight, North Miami High is the colossal scene set for the enactment of a drama entitled, "North Miami . . . School for Memories."

During mid-term, students study vigorously for examinations.

The Chemistry Lab is always a very busy place.

The Senior Walk is a very popular place before morning classes.

The Davison Memorial is deserted during afternoon classes.

A conversation, a moment to relax and laugh and get together on the Senior Walk.

Pausing between classes, students ponder a problem while others hurry to their next class.

"Skill and Care", says Mr. DeLong, "are the bywords of an artist."

Students enjoy pleasurable moments on the patio dedicated to the memory of friend and former principal, Paul A. Davison.

"Do we really have to learn all the parts of the body?" wonder tenth graders.

A watch ticks. The sun rises and sets. The moon passes through its phases. The months are ripped off a calendar until a year is complete. So man measures time in days, months, years, decades, and centuries. In the span of time, we pass from elementary to junior and then to senior high school; September turns to June and then the school years are gone; fads start and end; and magic moments come and go. Nothing, say our scientists and historians, lasts forever.

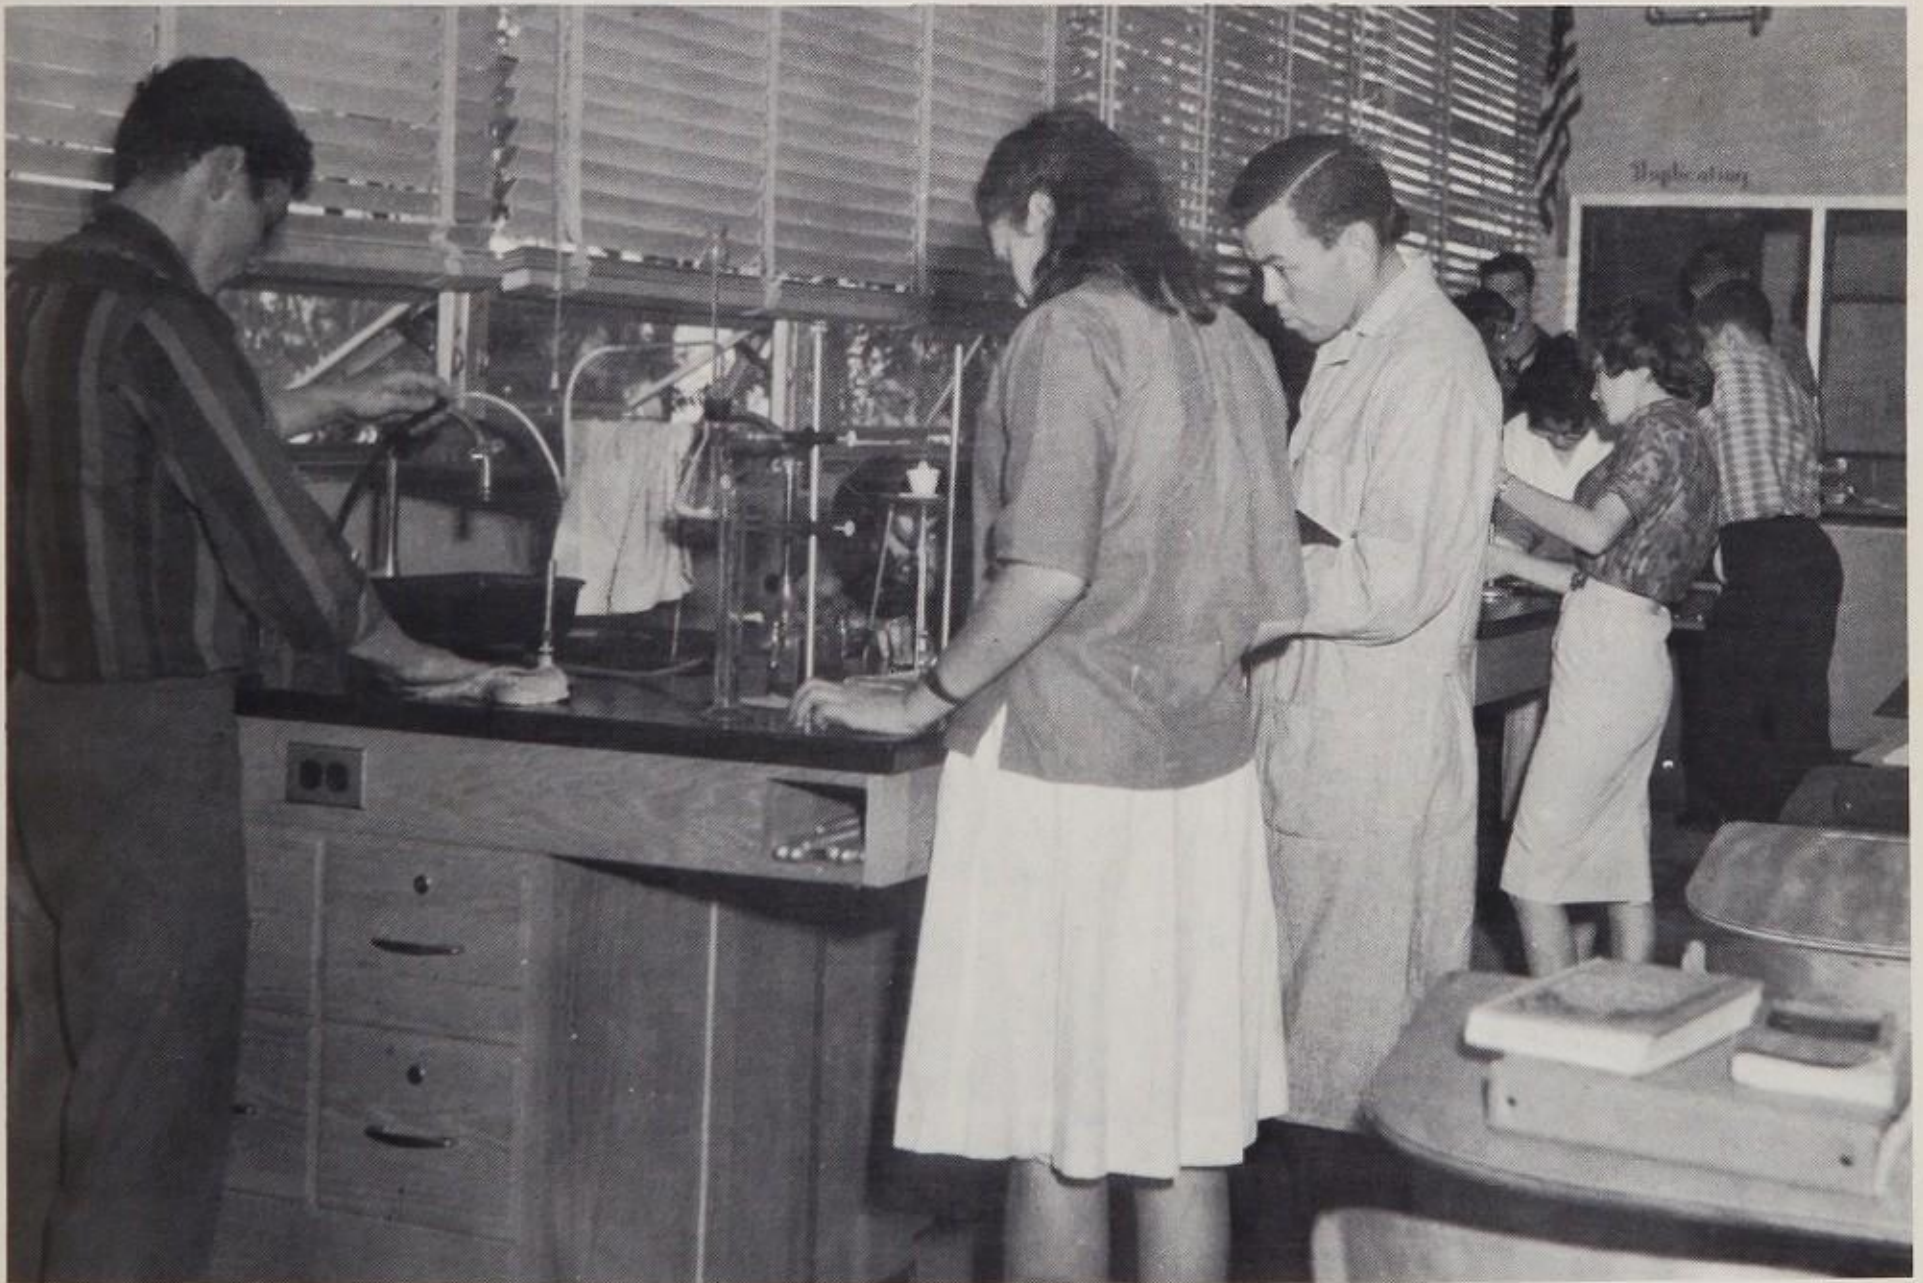

But what about those magic moments, those fads, and those years we spent in high school. Are they gone, forgotten, and lost? No! An hour spent in class may be only as long as it takes the grains of sand to pass through an hourglass, but the days spent in school will return to us whenever some question asked in the present relates to knowledge acquired in the past. The fads are remembered when we glance at an old photograph album and the magic moments are there in the back of our minds to be called forth to enjoy again and again during the remainder of our lives.

The Cinderella of the world of make-believe supposedly lost her ballroom finery when the clock struck twelve. But we need not fear the loss of even one moment, for treasured in our hearts and minds are the memories of the finery that dressed our high school years.

"I hope I'm not too early?" says Don Guise.

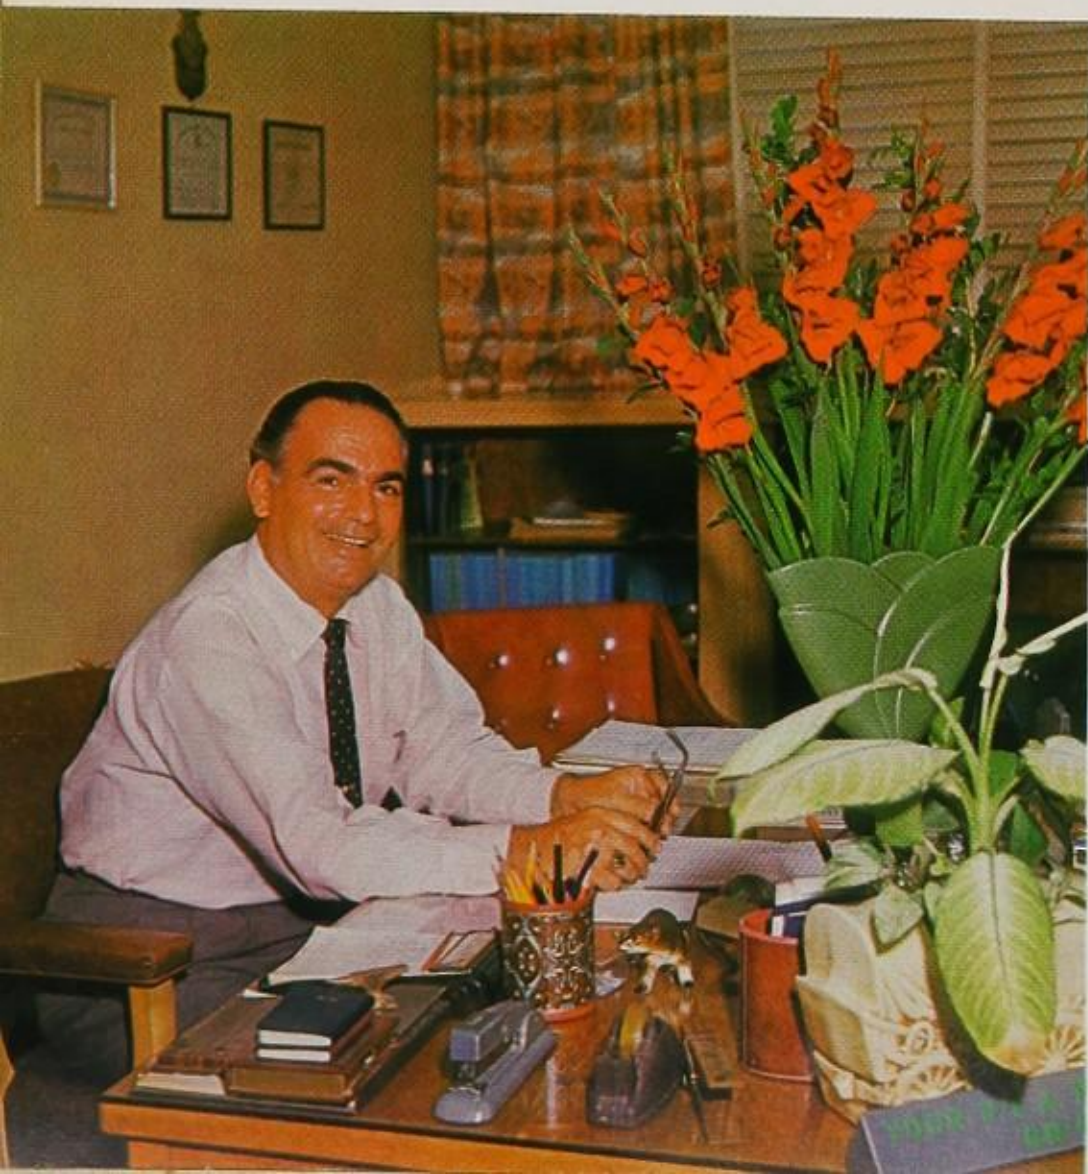

You must wait a few minutes for the substance to settle.

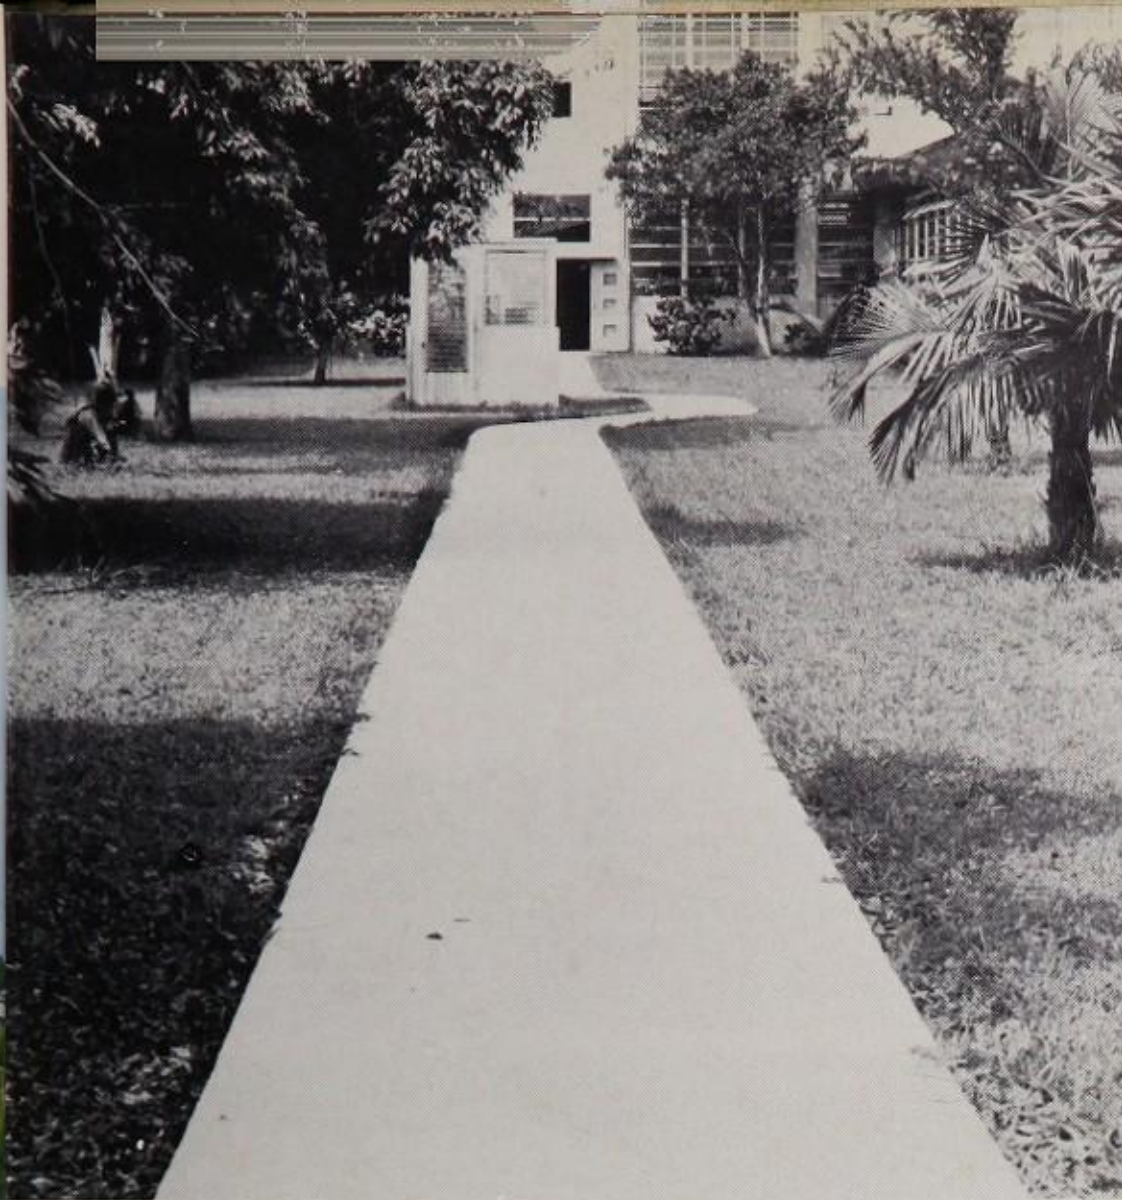

Students learn by doing in the chemistry lab.

Our principal, Mr. Rice, spends many busy hours at his desk.

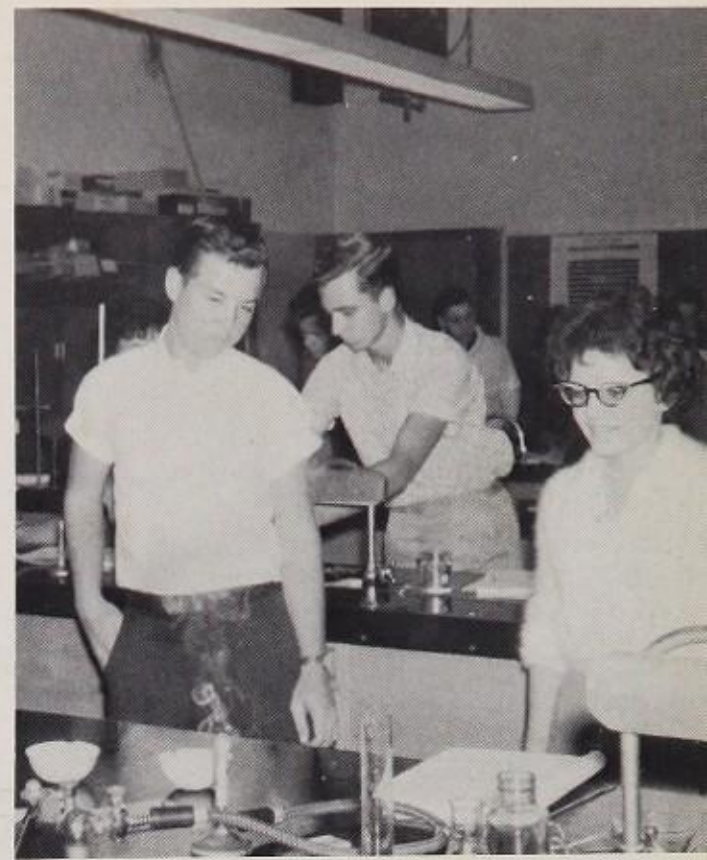

American Field Service Exchange Students raise our flags.

Before school starts, the walks around the school are quiet.

Twenty-Four Hours A Day ...

Studying and talking on the phone at the same time is something most students seem to do with no trouble.

School begins and Chemistry students are eager to work on experiments.

The football games were always popular after a day at school.

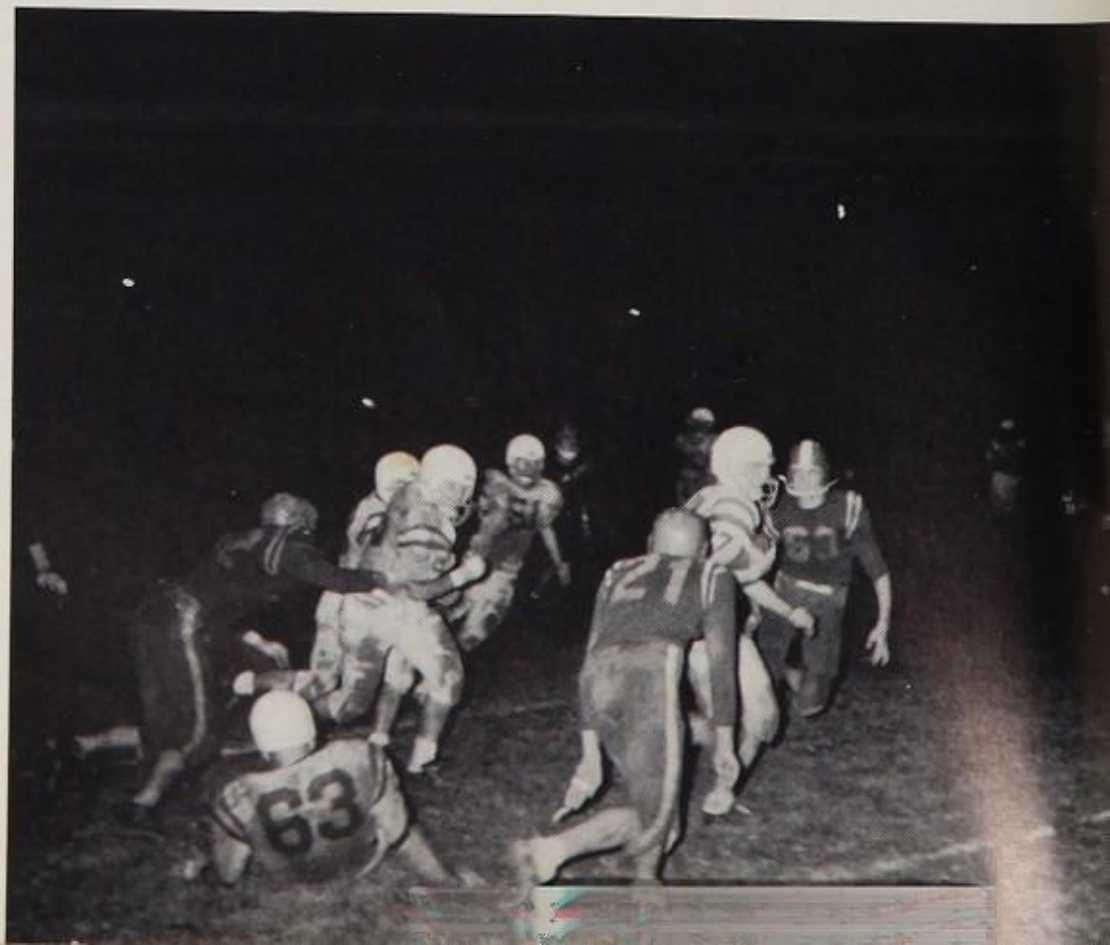

Crowds cheered and the band played as the Pioneer Alumni were welcomed.

*ohhh!
Vicki*

Her Majesty . . . Miss Carol Collins!

The team battled hard against a surprisingly strong Jacksonville Jackson team.

We will always remember our Foreign Exchange student, Sten Lilholt.

... To Build a Memory

The Green Cheerleaders at the Powder Puff game keep the crowd in good spirits.

Homecoming floats were a big attraction at the homecoming game.

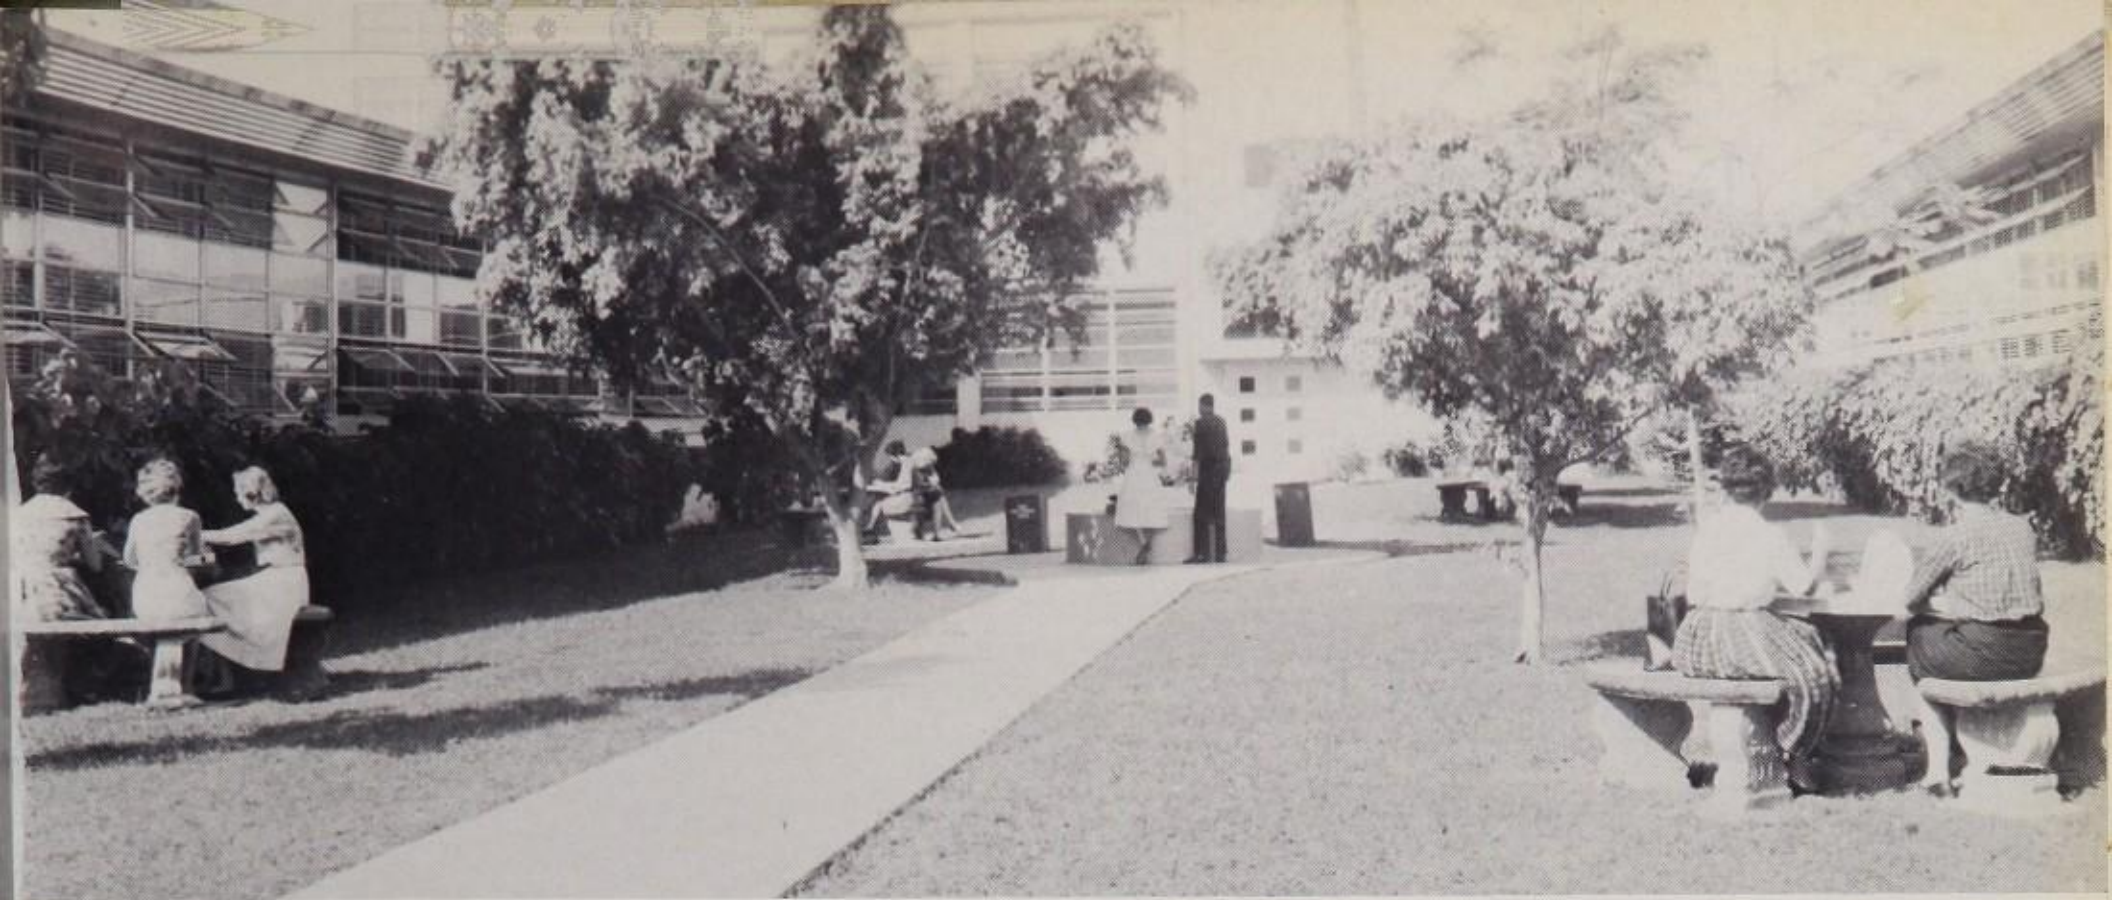

Framed in the doorways, reflected from the tranquil surface of the Senior Pond, and meeting you as you turn a corner in the hall are the faces of the people who make this the living school.

People are the warmth, friendliness, and personality of North Miami. Can you imagine what a school would be like if you were the only student and your teachers were the only teachers? How would you feel if you were the sole member of the graduating class? Taking these associates away from us is the same as removing our joy, our sorrow, and our problems. It is our association with

devoted teachers, who have a special message to convey, and with classmates, who have shared many of our experiences, that has colored and enriched our lives. We never realize how much the presence of others means until we think of ourselves as being alone.

North Miami has offered us her greatest treasure—a store of friendships. It is an inexhaustible store of happiness which will never be fully drained. It is happiness resulting from friendships we were glad to make and will be proud to keep in memory of our years at “the friendliest school in the world.”

Friendships that last a lifetime are made on our Senior walk.

Music filled the November night as a sparkling crown rested on the blonde curls of Miss Carol Collins, Homecoming Queen.

Seniors cheered in the main hall and sang the Alma Mater after our victory over Miami Jackson.

Enchanting music drifted across the sands of Tahiti Beach and were swallowed by the vast sea before us at the Luau.

Standing room was at a minimum as we cheered the Pioneers to an overtime victory over Miami High in our gym. Big events and small compose

the song we sing as we near the end of a wonderful year.

We have found pleasures awaiting us throughout the year. We have shared in the fun and festivities of many events. We tore the pages off our calendar and on them were magical dates—the Edison game, the Christmas Ball, and the prom. We have walked through the halls and smiled at the people who have helped to make this a most memorable year. Yes, the music of laughter, of merriment, and of life was on our lips as we thrilled to never-to-be-forgotten moments.

An important one heads for the basket.

"Come on, you Pioneers — Beat Edison"

The many dates and movies we enjoyed most shall be remembered.

We will remember all the fun we had at picnics.

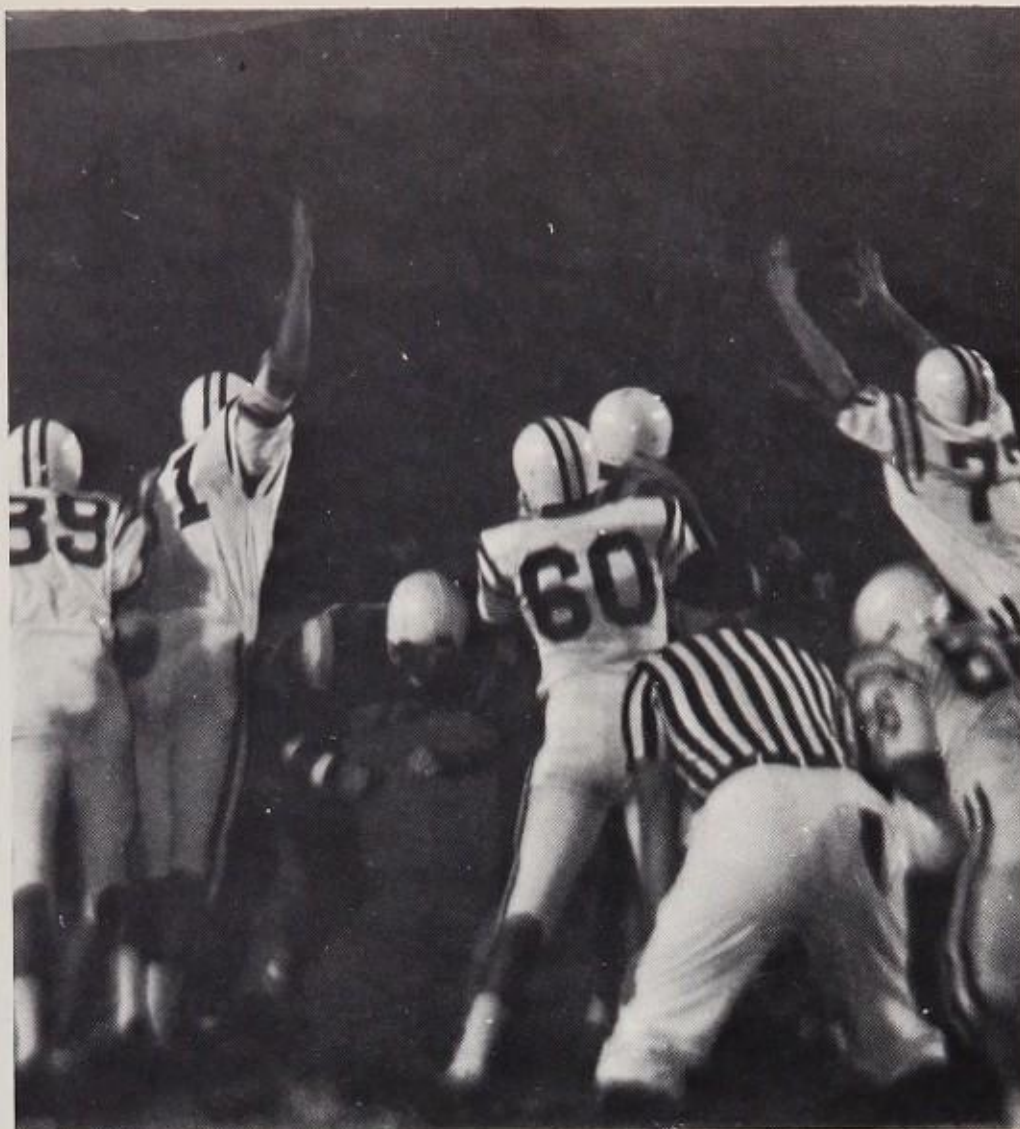

Our drama department will be remembered for their plays and activities.

Social get-to-gethers were fun and exciting.

The seniors will recall class meetings, picnics, and the other magic moments to remember.

The Pioneers live up to the cheer, "Block that kick".

The Gray team try to defend the goal by outsmarting the opposing team in the Powder Puff game.

Mr. DeLong presses a point with tongue.

.... The Fondest
Memory of All

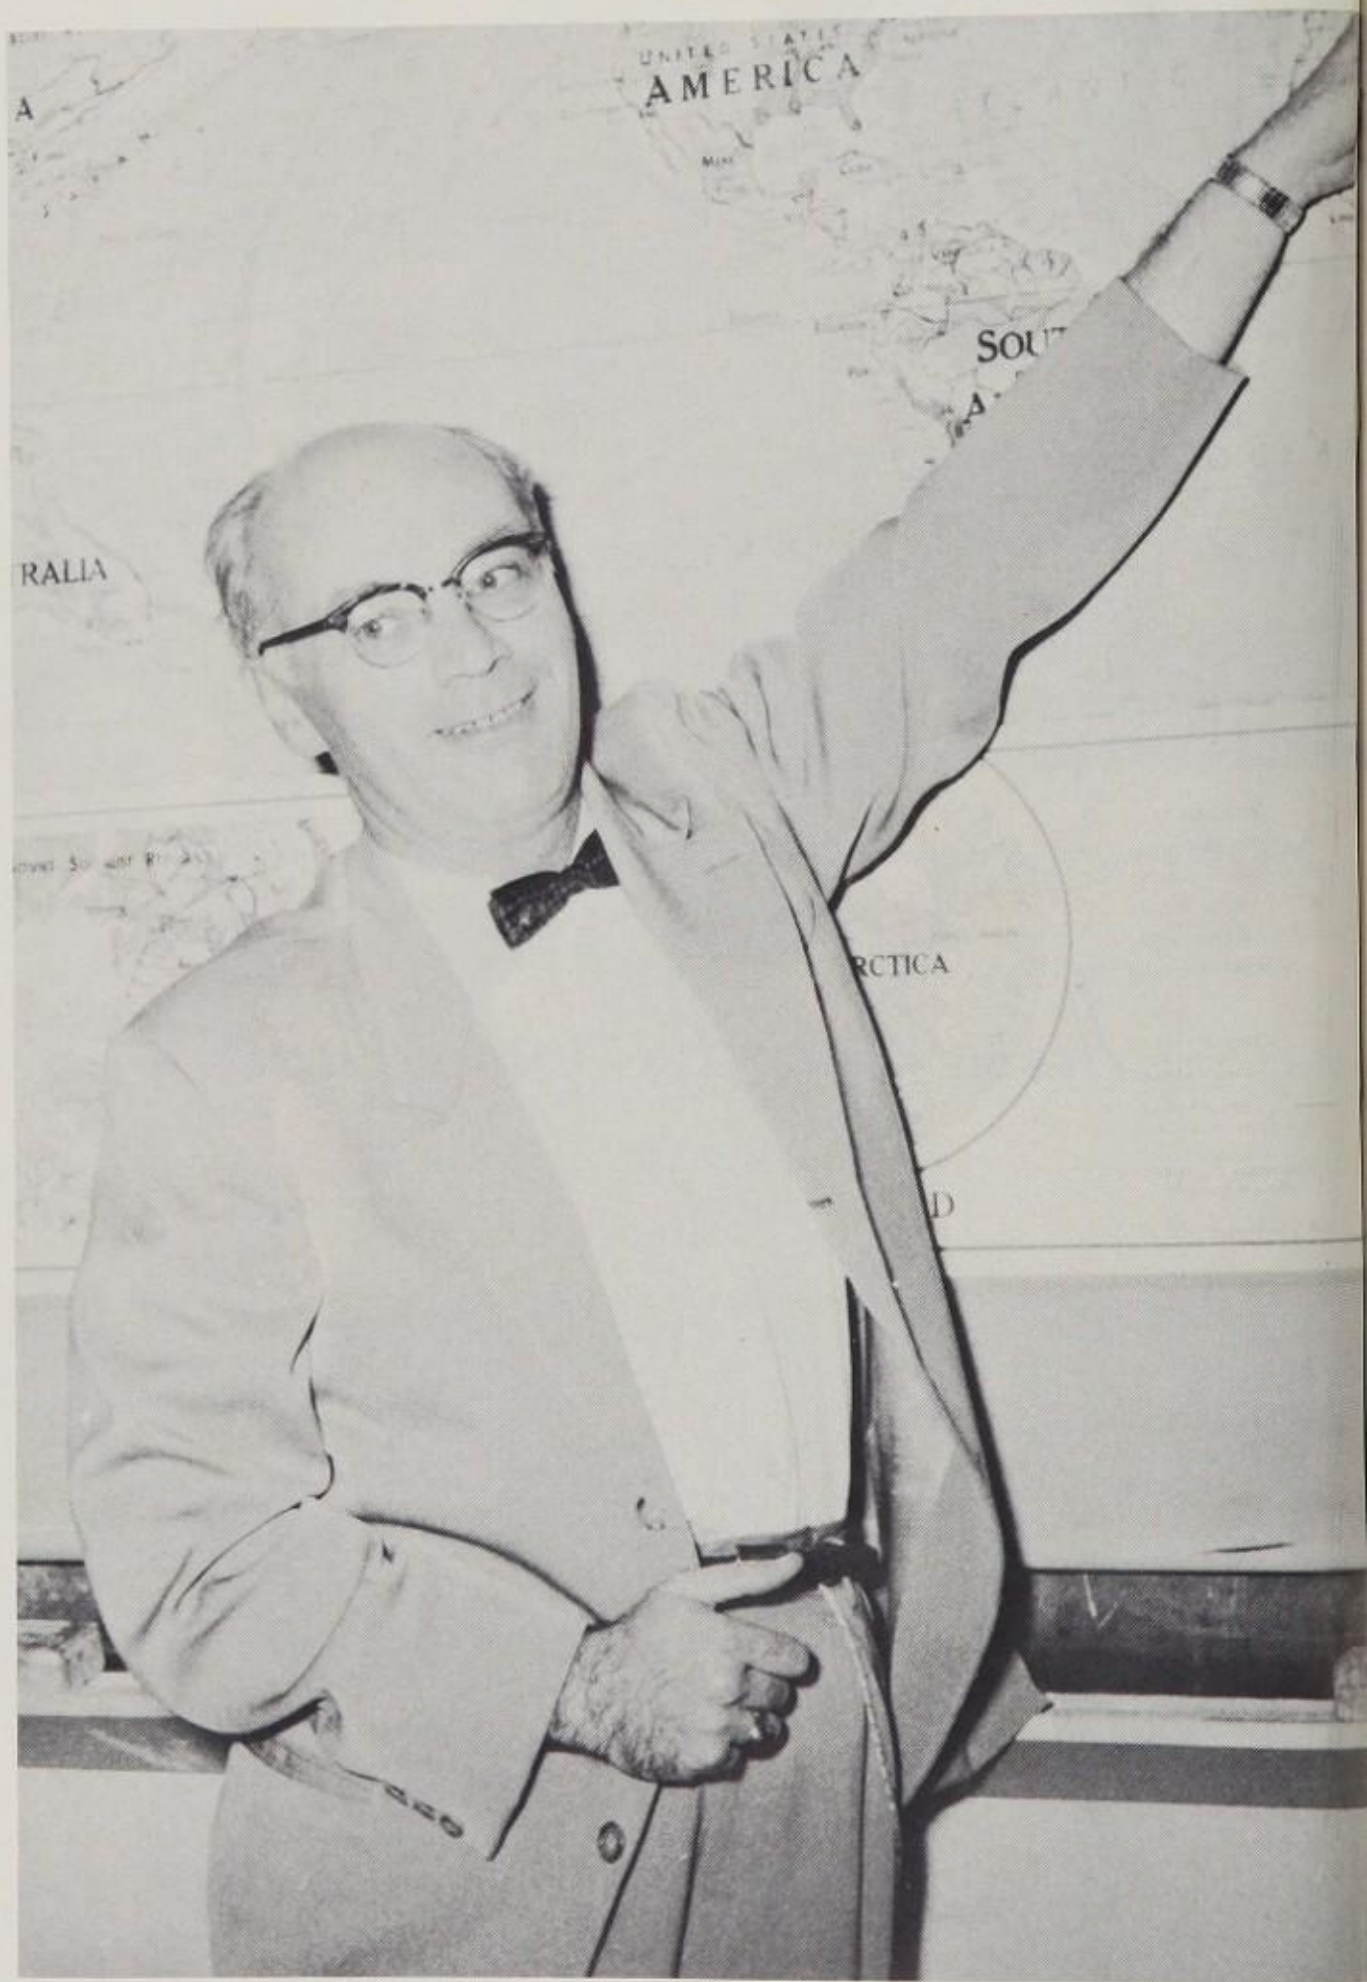

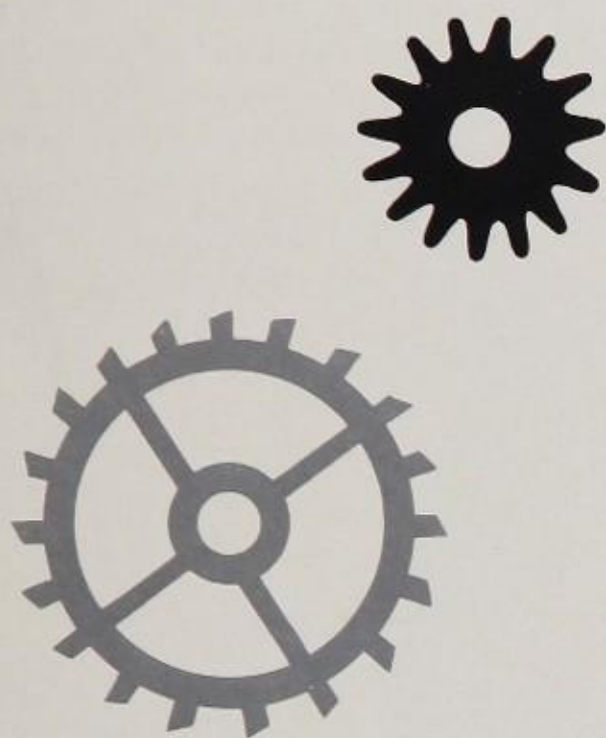

We will never forget the wonder of school despite homework and term papers.

These Are The Things To Remember

Football games provide some of our most thrilling moments to remember.

Just as the growth and success of any garden is controlled and aided by the hand of the gardener, so our educational growth is shaped and guided by the able hands of our teachers.

Gaining and garnering new ideas, strengthening our beliefs, shaping our philosophy . . . all require the care of our teachers lest we go astray.

While our appreciation is not always manifest at the moment, it makes itself felt in the years to come as we look back fondly on the moments our teachers have made come alive for us . . . moments which are treasured and cherished always.

FACULTY

Best wishes!
W. E. Rice

W. E. RICE, PRINCIPAL

W. E. RICE, PRINCIPAL

Coupled with a ready wit, a warm smile, a quick sense of humor, is the eternal readiness of this congenial administrator to listen to his students and their problems.

Greeting all with his familiar, welcoming smile, he hears, digests, and dispenses a decision, or kind advice, smoothing balm over a wound or arriving at a decision for a touchy problem.

Burdened with the responsibility of administration, the loneliness of decision, the load of details and records, he takes time to attend our activities and sports events, he ever stands ready to listen and to help as our friend and principal.

His door is open to all, and in the short time Mr. W. E. Rice has been principal at North Miami High, he has won the hearts and admiration of all.

Mr. Rice buys first license plate.

Humor and good cheer are part of his stock in trade during an assembly.

The principal pauses for a smile for the photographer.

DEAN MYRA SEWARD

North Miami High School is fortunate indeed in having a dean of the caliber of Miss Myra Seward. Across her desk come hundreds of absence excuses, requests, and complaints, but she handles all with the ease and skill born of patience and experience.

In addition to the burdensome task of checking absentees, Miss Seward has the unpleasant task of disciplining our girl students, but again her patience and understanding are seen at work.

Our gracious dean encourages the girls to unburden their troubles to her, and she always has a sympathetic ear and a word of comforting advice.

Across her desk comes a myriad of paper work.

Dean Seward checks an absence excuse.

Telephone and records are part of daily routine.

DEAN RICHARD J. HENLEY

One of the pioneers at North Miami Senior High School is Dean Richard J. Henley, an educator of long standing in Dade County.

There is no end to the problems facing him each day, an interminable procession of troubles and difficulties, but his cheerful smile never deserts him, and he makes major woes into minor ones.

Absences, records, student achievement, teachers' problems, all are handled with an enviable ease which bespeaks skill and confidence.

Unusual indeed is it to find a man who so commands the respect of the boys even after necessary discipline, but our remarkable dean is a true friend to whom our students may always come for counsel and comfort.

an inspiration

Dean Henley greets the students each day with his announcements.

The dean has a ready smile for all.

Helping students is only one of the dean's many tasks.

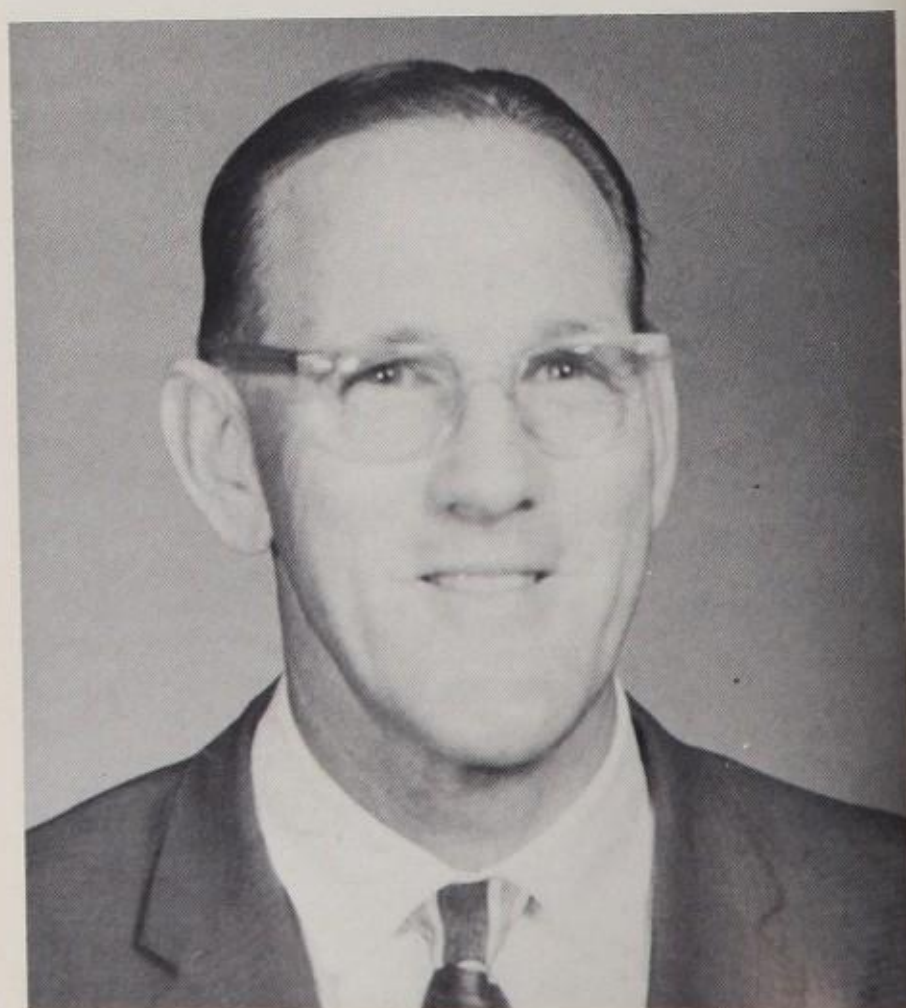

Mrs. Myers, Curriculum Assistant, poses for the Conestoga.

Mrs. Meredith, Curriculum Assistant, plans for the day's work.

Our Night Principal is Mr. Peters.

Mr. Lipscomb is the Head of Student Activities. He coordinates school functions.

GUIDANCE DEPARTMENT

To serve the student body and to help meet both their academic and social needs is the aim of the Guidance Department. Under the direction of Mr. Bullington, these friendly counselors encourage students to come in and discuss their problems and future plans.

College-bound students will find an unlimited amount of information available. This year for the first time, a scholarship orientation program was coordinated by Mrs. Brown for the benefit of seniors.

Those students not planning to continue their education may also receive helpful information concerning job opportunities, and many are placed in good positions after graduation by the school.

Another important service performed by our counselors is to acquaint new students with life at North Miami Senior High School and to encourage them to participate in the many activities of the school. Each year because of their efforts, hundreds of new students are made to feel at home in the "friendliest school in the world."

Here are found answers to many questions for seniors.

OUR GUIDANCE COUNSELORS are: Mr. Hyrne, Miss Colwell, Mr. Schwemmer, Mrs. Cadwallader, Mr. Peete,

Miss Hill, Mr. Cox, Mrs. Brown, and Mr. Bullington, chairman.

BUSINESS EDUCATION

Stepping into the business world, graduates of North Miami Senior High School have been prepared by our Business Education Department. Students are offered training in every phase of business education. The skills of typing, shorthand, and bookkeeping are taught along with instructions on the use of many business machines.

There is also on-the-job training for seniors. In the morning they attend classes and during the remainder of the day they work in various positions in the community. This training enables the student to cope with the problems they will encounter in the realm of business. Here, the students employ the results of long hours of tedious drill, of pecking typewriters, frantically taking dictation, and working with seemingly endless rows of numbers.

Young people prepared in this department are equipped to take their place among the working population of the world.

Mrs. Hinshaw does a tremendous job as head of the Business Education Department.

We are proud of our BUSINESS EDUCATION DEPARTMENT: Mrs. Joyner, Mrs. Price, Mrs. Ketzle, Mrs. Reed, Miss Steele. STANDING: Miss Rose, Mrs. Bucher, Mrs.

Cox, Mrs. Scalise, Mrs. Aspinall, Mr. Bertok, Mr. Schwemmer, Mr. Marconi, Mrs. Hinshaw, chairman, and Mrs. Schmaus.

SECRETARIES

With the aid of each spoke, the wheel turns. Our school secretaries are the spokes that keep the wheel of activities at North Miami High running smoothly.

The club treasurers depend upon Mrs. Fortney to help keep their books straight. College-bound students are well acquainted with Mrs. Moore, the secretary in charge of transcripts, and our registrar, Miss Martin, keeps the "school roll" correct. Mr. Rice relies on Mrs. Campbell, his secretary, to assist him with administrative duties. To the tune of files banging and switchboards buzzing, our secretarial staff is the backbone that supports our efficient school system.

Attractive as well as efficient are our SECRETARIES: Mrs. Russell, Mrs. Permenter, Mrs. Harris, Mrs. Fortney, Miss Martin, Mrs. Stair, Mrs. Rohrer, Mrs. Dallinger, Mrs. Moore, and Mrs. Campbell.

Whether we are checking out a book or completing research work, we can enlist the help of our skilled librarians. Besides maintaining an orderly library, the librarians teach students the use of the card catalog and the classification of books.

As students scan the shelves, selecting their books, or browse through the well-stocked reference rooms, they become increasingly more aware of the excellent facilities available to them. This awareness leads to student cooperation, and cooperation is a channel through which thanks may be expressed for the efforts of our librarians.

Students are able to find their books and information more easily with the help of Mrs. Klingmeyer, Mrs. Laperriere, and Mrs. Bultman.

LIBRARIANS

The librarians' load is eased by students help during the busy hours of the day.

ENGLISH

Fascinating, intricate, and distinct . . . language is the difference between man and the lower animals. Through language, bridges and skyscrapers are built, medicines discovered, and all life continued. Man calls upon it to aid him in his quest for knowledge. He employs it as an implement to build and create, but sometimes he wields it as a weapon of destruction.

English has many phases, all of which are thoroughly covered by these teachers. Grammar, which must be mastered to understand the basic principles of English, is stressed throughout the year. Appreciation and familiarization of the "Great Works" of literature enriches our cultural education.

Due to our large student body, our school also offers English by television. These classes have a half-hour program on television and a daily follow-up by the classroom teacher.

Honors English is taken by students in the tenth through the eleventh grades. These courses give to our students a deeper meaning of our English heritage.

The English teachers pictured below are: Mr. Murray, Mrs. Hicks, Miss Sunkel, Mr. Marin, Miss Barry, Miss Whelp-

ton, Mr. Wohlgemuth, Miss Grantano, Mrs. Davis, and Mr. Miller. These are our 10th grade teachers.

PICTURED ABOVE are our 11th grade English teachers. They are: Miss Mastropaolo, Mrs. Wingerd, Mr. Seese, Mrs. Mitchell, Mrs. Niles, and Mrs. Crew.

FOREIGN LANGUAGES

Se habla Espanol!
On parle Francais!
Man spricht Deutsch!
ГОВОРЯТ ПО-РУССКИ

We speak many languages. All of them are the keys to universal friendship. Without language we couldn't meet new people or make new friends. Language spans the distance between countries and strengthens the bonds between them.

North Miamians, realizing the value of a world at peace, have incorporated into our curriculum a fascinating and intensive foreign language program. The curriculum includes four years of the language of our Latin American neighbors, four years of French, four years of Latin, three years of German, and two years of the language most recently offered, Russian.

In an attempt to promote friendship, North Miami Senior High participates in the American Field Service Program. Annually our students raise money to send a North Miami student to a foreign country. Since our program originated in 1957, we have sent students to Turkey, Germany, and Denmark. Our school has been visited by students from Holland, Denmark, Germany, and Japan.

Capable is the word for our foreign language instructors: Mrs. Whelpton, Mrs. Mitchell, Mrs. Atwood, Mrs. Doran, Mrs. Nicholas, Mrs. Beal, Mrs. Steinberg, Miss Kennedy,

Miss Kennedy, chairman, is the epitome of patience with students and their translations.

(back row) Mr. MacDonald, Mr. Murphy, Mrs. Hand, and Mr. Peterson.

Untiring in her efforts in the **SPEECH DEPARTMENT**, Mrs. Hicks has brought many honors to North Miami through her classes and her sponser-ship of the National Forensic League.

As any member of an audience or any actor in a dramatic presentation this year can firmly attest, Mrs. Davis's accomplishments in drama have been truly superb.

SPEECH AND DRAMA CREATIVE WRITING

Mr. Delong's philosophical ideas, accompanied by a far-reaching knowledge of art aid his students to an insight into life as well as art.

Through the stroke of a brush, words of a speech or dialogue, development of a publication the pleasure of Creative Art is found. Our cultural development through the arts leads us to appreciate the things around us. The guidance of teachers in these departments has lead us to greater ascetic appreciation and to a fuller life. To some, these classes have served as an inspiration. To others experience in these fields will be used in later life. To all, they are the tool of self-expression.

In this day of automation, Mrs. Gaetano guides the future's writers with skill and patience, and her crowded classes exemplify her victory over apathy.

Behind the busy desk and occupied expression, is the head of our publications department, Mr. Niles. The watchdog-and-chief of the Pioneer and Conestoga, his unbounding energy and effort has insured development of Journalism in our school.

HOMEMAKING

Amid the snapping scissors, perforated patterns and shining sinks, work our Home Economics teachers. These teachers prepare our girls for the important task of managing a household.

The Home Economics Department is divided into two basic paths of study. The girls may choose between well-rounded courses in either cooking or sewing. These comprehensive courses include such units as child care, grooming, dating, and interior decorating.

Study in this area will enable girls to perform tasks ranging from elementary to the most complex activities of a homemaker.

Mrs. Hogsett is the head of the Home Economics Department.

The Homemaking teachers are seated above. They are: Mrs. Hogsett, Mrs. Warren, and Mrs. Moore.

These students listen attentively as Mrs. Moore explains the uses of the stove.

INDUSTRIAL ARTS

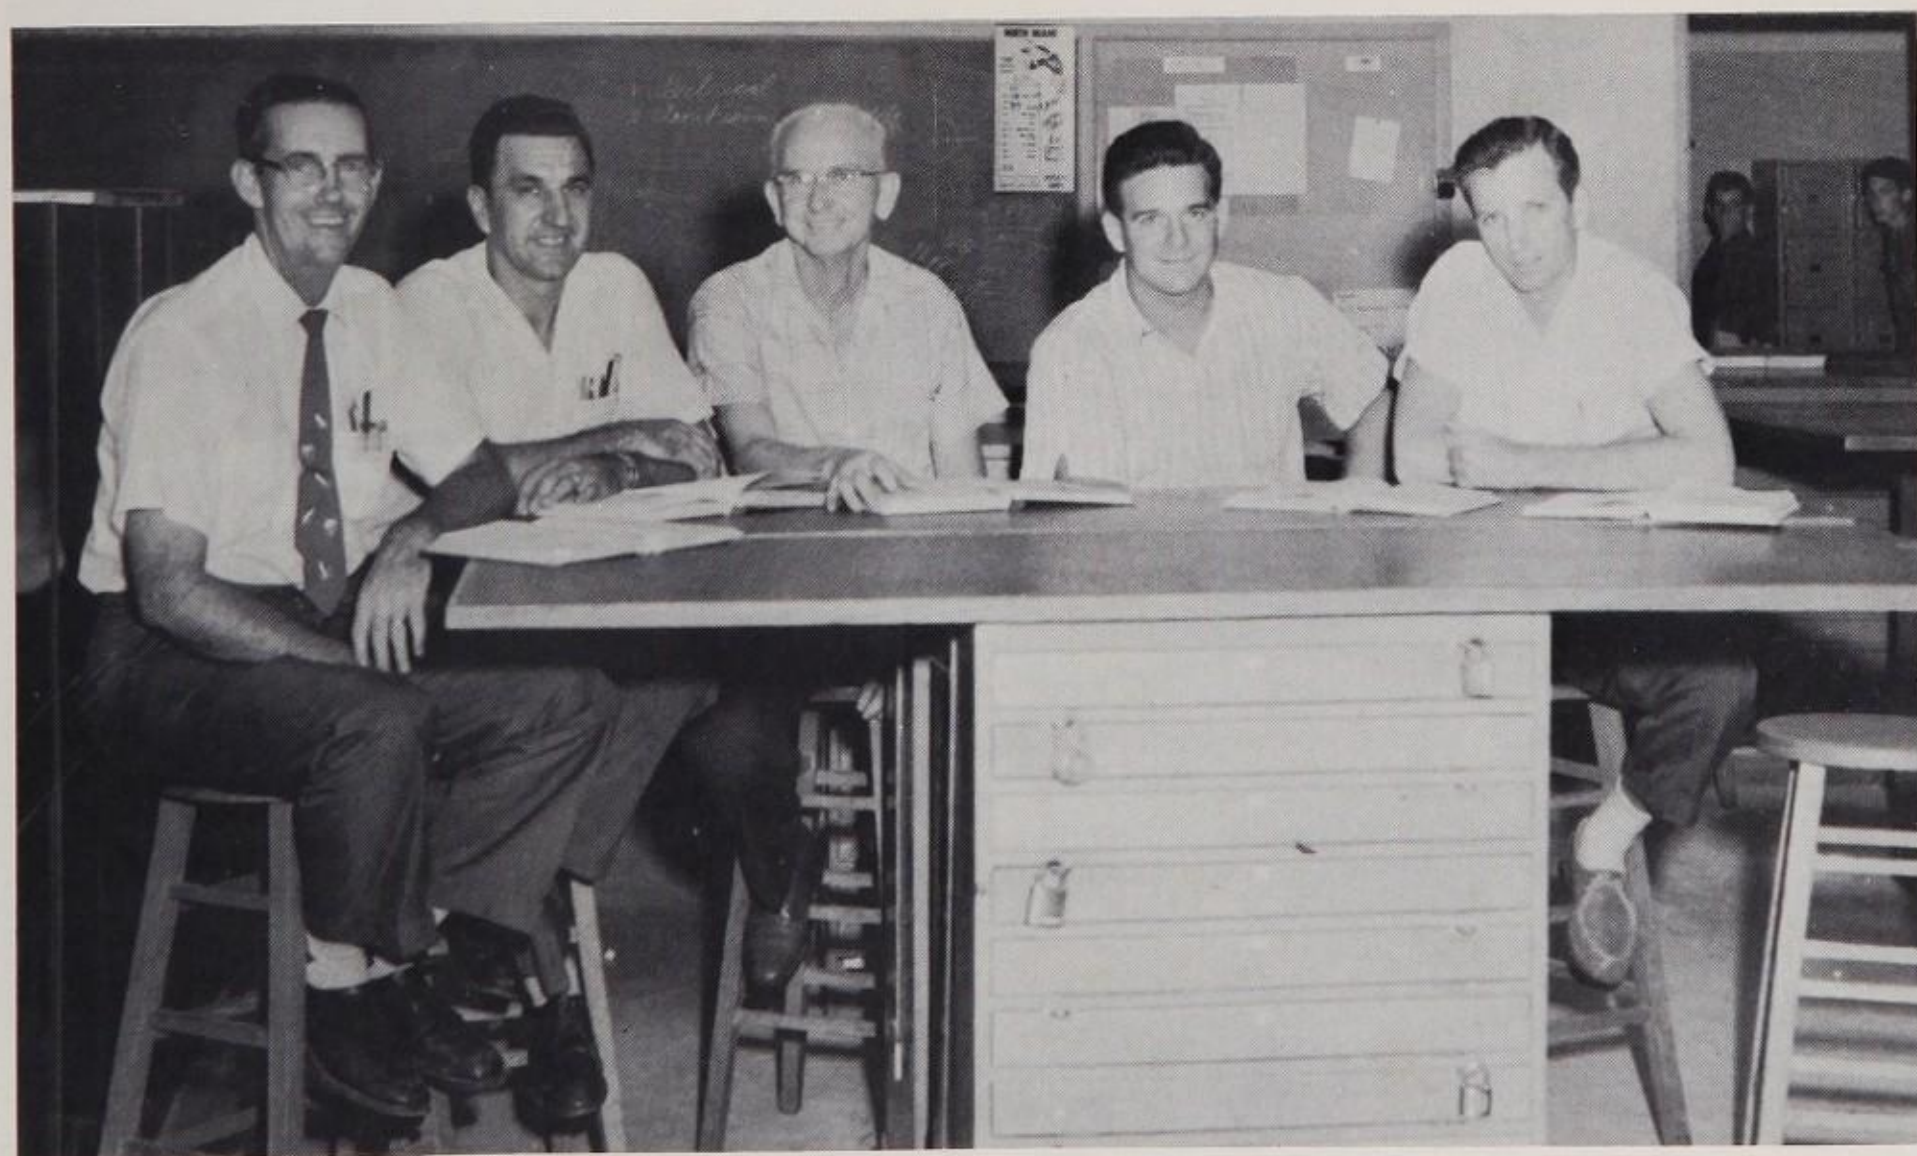

As the skilled hands of the master potter shape the soft clay on his wheel, so the skilled hands of our industrial arts teachers mold the minds and shape the abilities of their students.

Students interested in arts and crafts find outlets for their interests in this program. Some of their many projects, wooden trays, leather accessories, jewelry, and metal bowls, may be seen on display at the Industrial Arts Exhibition each year.

Industrial Arts is responsible for increasing the creative ability of the students and teaching them many new and enjoyable skills. This course introduces young people to new fields of interest which will open the door to many different occupations.

Mr. Womack heads the Industrial Arts Department.

These are the Industrial Arts teachers. They are: Mr. Crisswell, Mr. Zellers, Mr. Womack, Mr. Johnson, and Mr. DeLong.

Mr. Gregory of the orchestra and Mr. Dutton of the chorus show that music really is fun.

MUSIC

That music hath charm to soothe the breast of savage beast is amply made manifest with the marvelous music department at North Miami. Providing stirring marches and novelties at the football games, presenting thrilling half-time shows, producing inspiring vocal and instrumental concerts throughout the year are just the normal accompaniment to sound teaching of music and music appreciation on the part of our three fine music teachers.

Year after year our orchestra, chorus, and band bring home honors and acclaim from their competition with other schools in the state of Florida. They have proved that culture excels at North Miami just as physical prowess on the gridiron, court, and track.

The student body at our school owes a great debt to Mr. Alexander, Chairman of the Department, Mr. Gregory, and Mr. Dutton for providing beautiful and splendid music.

Many honors have come to our music department under the fine and friendly leadership of Mr. Robert Alexander.

SCIENCE

1961 . . . a year of achievement in all areas . . . with the scientific field in the lead. Our Science department has not neglected this fact. With the aid of well-informed teachers and modern laboratory equipment, our science students are learning about the world around them. Students of biology divide their time between laboratory work and textbooks. This program gives the students a solid foundation in their work. They can also continue to advanced biology, a very extensive course, to prepare for college.

Symbols, equations, and experiments are familiar terms to Chemistry students. They study the composition of the common things we take for granted. A yearly project is giving the students an unknown substance, and with the knowledge they have acquired, they identify this unknown.

A new college physics course has been incorporated into our curriculum this year. Practical experiments fill a large part of this physics schedule.

Our Science Department is cognizant of the need for new scientists, and by constantly rejuvenating the program, they aptly prepare our students for scientific careers.

Rarely seen out of their labs are our Science teachers: Mr. Farmer, Mr. Basnett, Miss Boyarsky, Mr. Spencer,

Mr. Spencer with his friendly smile heads a fine Science department.

Mrs. Luck, Mrs. Voss, Mr. Viviano, Mrs. Hunt, Mr. Darrow, Mr. Roth, and Mr. Williams.

MATH

Why does π equal 3.14? Why is the sum of the angles of a triangle equal to 180° ? Lastly, why do we study mathematics at all? These are just three of the many questions asked in our mathematics classes each day.

The Mathematics Department in our school includes courses ranging from basic math through Algebra and Geometry to Solid Geometry, Trigonometry and Math Analysis. Under the direction of Mrs. Branhan, Department head, our mathematics department serves several purposes. Not only does it prepare students for advanced college work but it also equips others with a working knowledge of a subject they will employ all their lives.

North Miami students have won several awards in the Science Fair in the field of Mathematics. Last year a senior mathematics student was awarded the Silver Knight Award for excellence in this field.

Questions are waiting to be answered, and problems are still to be solved in this wonderful world of mathematics, and the students of today will be the mathematicians who solve them tomorrow.

Mrs. Branhan heads our outstanding Math Department.

*Best of Luck,
Z. Branhan*

Pictured below are some members of our Mathematics Department: Mr. Sems, Mr. Nordmeyer, Mr. Williams, Mrs. Spell, Mr. Moore, Mrs. Temple, Mr. Weyant, and Mr. Berrong.

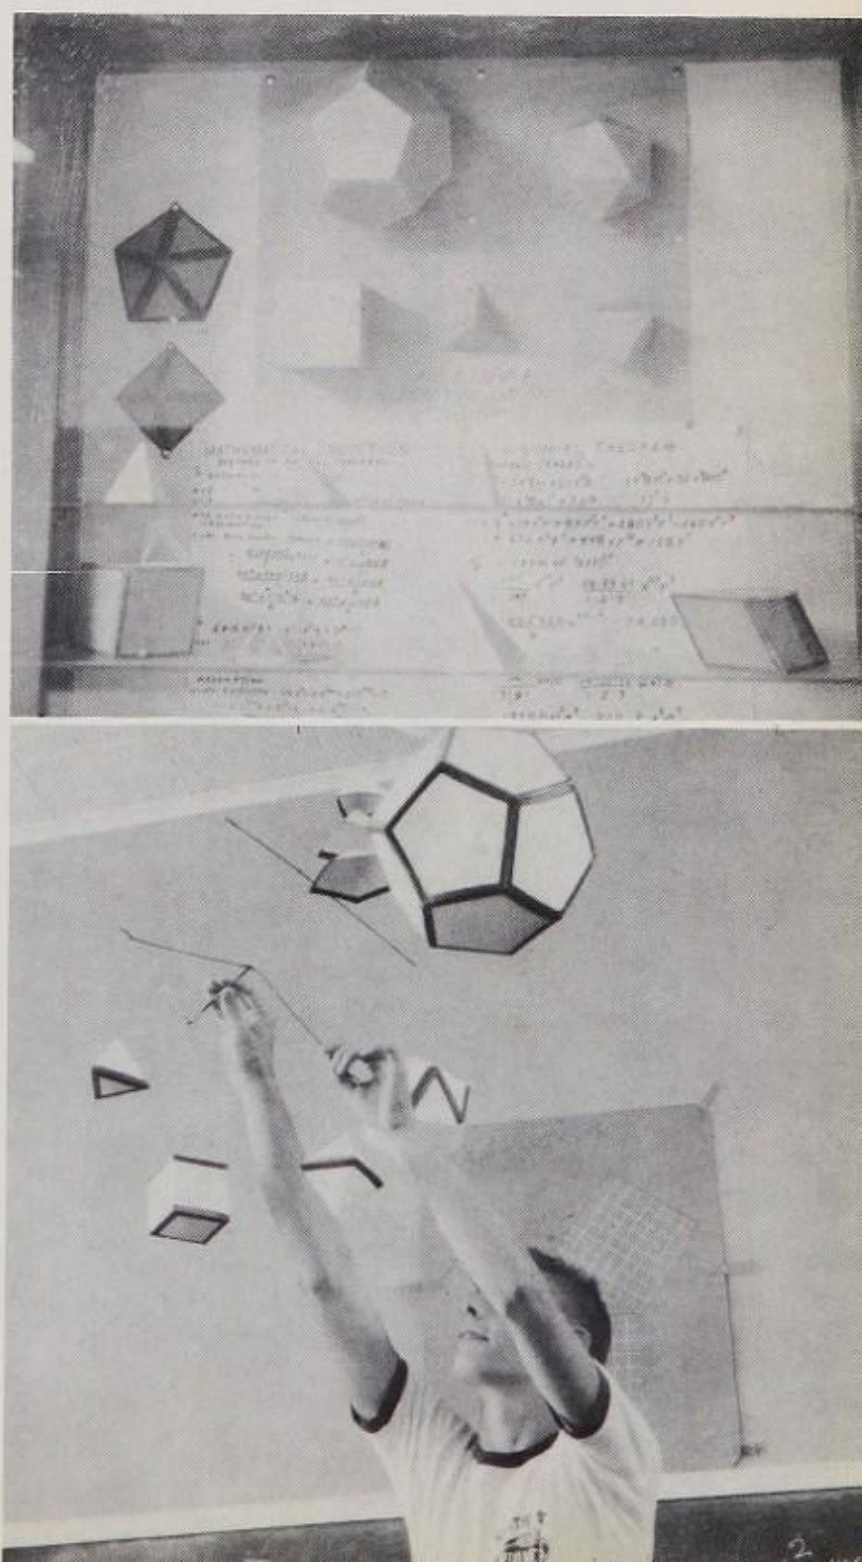

Members of the Mathematics Department shown here are Mr. Corn, Mr. Klein, Mrs. Lynch, Mrs. Sloan, Mrs. Branhan, Mrs. Ruskin, Mr. Blotcher, Mr. Hindmarsh.

These teachers believe in making mathematics live as is shown in this typical work from the students of the department.

SOCIAL STUDIES

Man's relation to man is a long pondered enigma . . . and the answer will be the sword to cut the master knot of human fate.

In the study of history, sociology, and psychology, our students are daily meeting the challenge of this question, and in the class discussions are finding answers to this and other questions.

As our scholars delve into their study of the social sciences, they are gaining much valuable information about man's past . . . and his nebulous future.

Molding the minds of social studies students is the responsibility of Mr. Herbst, Mr. MacDonald, Mr. Price, Mr.

The many details of administration in the Social Studies department are in the hands of efficient Mr. David Perrin.

Murrell, Mr. Hyrne, (sitting) Mr. Duncan, Mr. Tierney, and Mr. Gellen.

Four male members of the department are: Mr. Brady, Mr. Price, Mr. Sullivan, and Mr. Edge.

Social Studies teachers pictured below are Mrs. Grantano, Mrs. Matheson, Mrs. Jordan; standing: Mr. Manze, Mr. Garth, Mr. Perrin, and Mr. Rabinowitz.

PHYSICAL EDUCATION DEPARTMENT

Members of our Physical Education Department are: Coach William Swettman, Coach Ward Burgess, Coach Howard Auer, Coach Casper Cicio, Coach Joseph Bogart, Coach

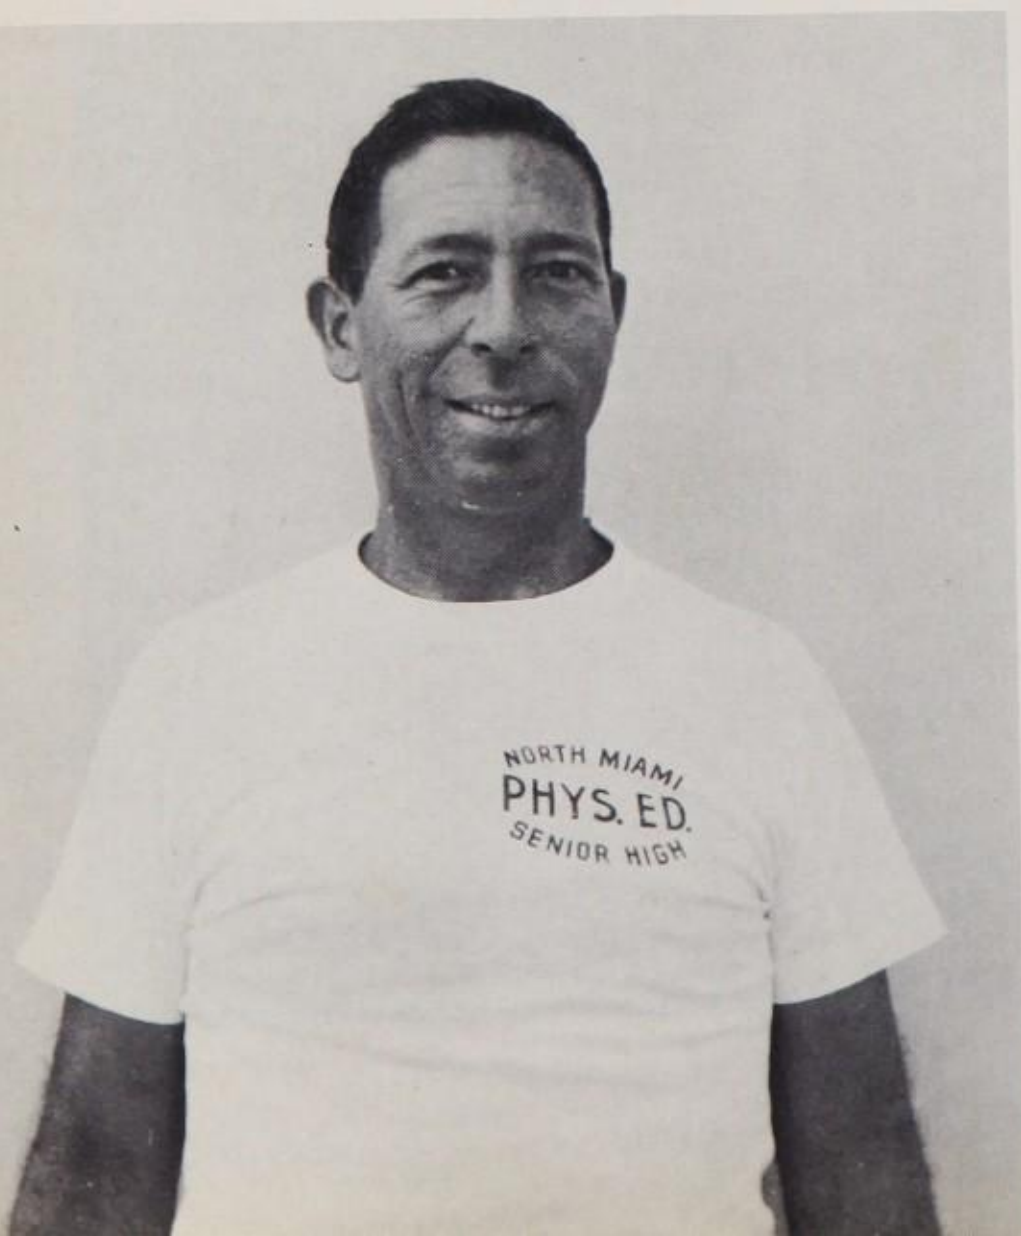

John Gilbert, Mrs. Barbara Conrad, Mrs. Doris DeLabar, Miss Ineke Veiling, Mrs. Mary Bone, Coach Jack Clark, Mrs. Mable Bradd, Coach Jack DelBello.

Although it may appear that building strong bodies is the primary aim of the physical education program, equally important aims at North Miami are building confidence and instilling a sense of sportsmanship in each student.

The physical education program at North Miami includes every type of sports activity. Included in the program are all the major sports. Boys enjoy football, basketball, baseball, and volleyball. Girls develop skill in softball, basketball, and volleyball. Both girls and boys participate in the physical fitness program. Students also have an opportunity to bowl, to swim, and to take part in the gymnastics program.

Good citizens are built through this program which encourages students to rely upon themselves and to recognize the rights of others.

Coach Ward Burgess is head of the Physical Education Department.

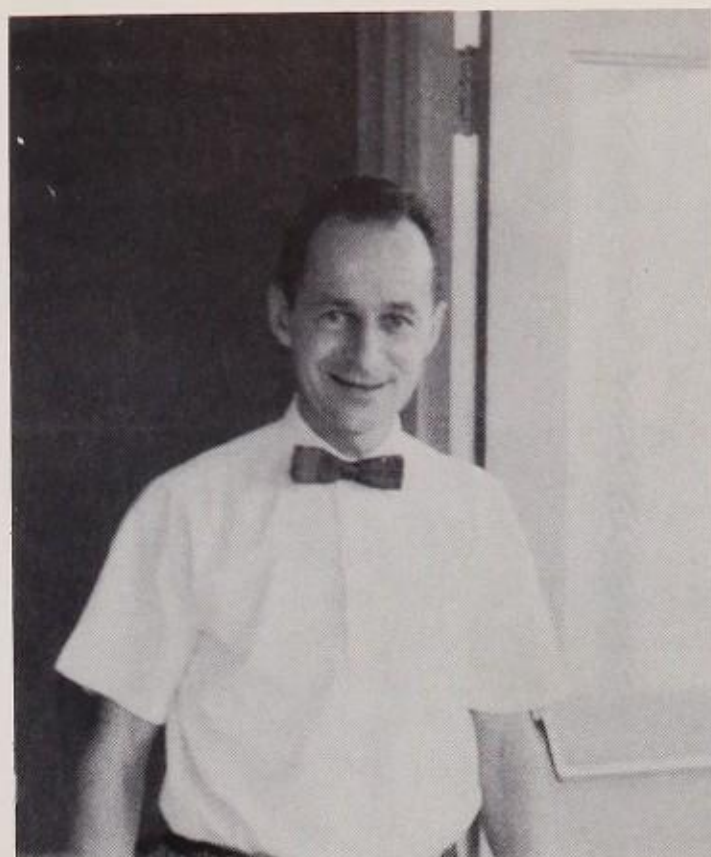

VOCATIONAL ARTS

Machines are manifestations of man's creativeness and inventiveness. They have shortened his work-day and lengthened his life. They have made life easier and provided more comforts for mankind.

Machines are the tools which make men's dreams realities. Mountains are moved and canyons made with these products of man's mechanical mind.

North Miami is favored, indeed, to have well-equipped shops where our boys may master the use of machines and tools under the watchful guidance of men, expert not only as experienced teachers, but as men who have also made their mark in the world of machines.

While the vocational arts courses are designed primarily for those planning to enter a vocation on graduation, they are also of tremendous value to those students planning to enter technical training at college or university, for such courses as electronics, aeronautics, auto mechanics, and agriculture are offered.

Chairman of the Department is Mr. Lydzinski.

Members of the Department are: Seated, Mr. Hakam, Mr. Upthegrove, and Mr. Boden. Standing: Mr. Lydzinski and Mr. Lamont. Not Pictured is Mr. Sistrunk.

SPECIAL

Offering a veritable multitude of services are a number of people whose duties are specialized or who are members of more than one department in teaching area.

The great number of students in the television classes requires additional clerical assistance, the collecting and grading of papers, the checking of attendance, and the thousand other details of every class. These services are ably performed by the TV Aides, pictured at right. They are Mrs. Long, Mrs. Allen, Mrs. Scott, and Mrs. Powers.

A true angel of mercy is Miss Yvette Soucy, our school nurse, for through the doors of her clinic come hundreds of students each day. All ills from scrapes to appendicitis are cared for by Miss Soucy.

A position requiring extensive knowledge in many fields as well as unlimited patience, understanding, and kindness is that of Mr. Marwood Stark who handles our Special Education department for those students who experience difficulty in hearing, speaking, seeing or locomotion.

CAFETERIA

Nourishing meals and a balanced diet are provided by the cafeteria staff under the direction of Mrs. Florence Perko. Our cafeteria staff is: Mary McCoy, Edna Clark, Julia McNeely, Evelyn Stamp, Allie Foster, Agnes Wolcott, Aretha Stafford, Edna Neuly, Marie Moureau, Dorothy Muthart, Julia Black, Gertrude Snowden, Viola Murphy, Ruby Coosey, Betty Servatt, Frances Finney, Belle Atzel,

Martha Cowens, Willa Dennen, Jimmy Brown, Evelyn Gwynn, Dorothy Miller, Anna O'Neill, Margaret Roberts, Edith Russel, Jessie Smith, Ada Souden, Jean Stianchi, Mae Diehl, Dorothy Gros-wald, Maragaret Johson, Irene Gabrial, Ann Pap-endick, Grace Sconiers, Lennie Van Eck, Mary Cline, Lessie Mae Smith.

Willie Pearl Bailey, Gladys Sockton, Elizabeth Green take time out from their busy day.

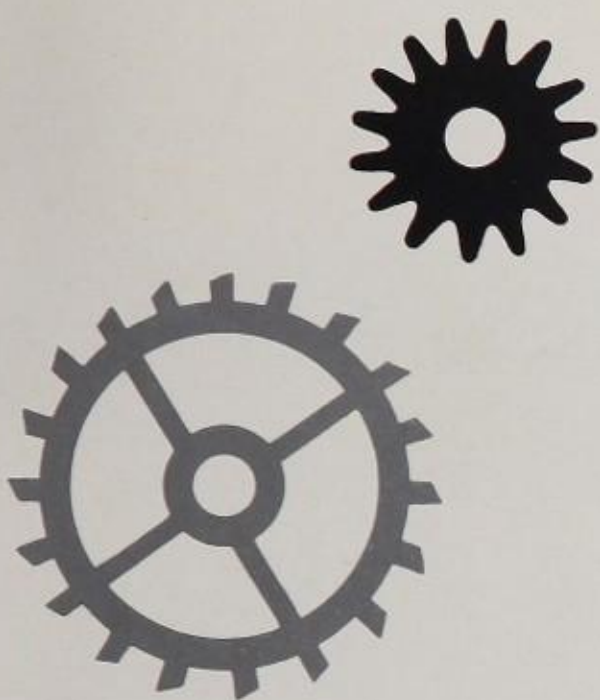

MAIDS

Always doing their never-ending job, the maids, Willie Pearl Bailey, Gladys Stockton, and Elizabeth Green, take time to say 'hello' to the students of North Miami High.

These maids have many tasks set before them each and every day. They dust the rooms, clean windows, polish glass, and many other tedious tasks. They work from the time they arrive at the school until the time they leave.

The class room is crowded into the background and textbooks forgotten in the limbo of oblivion as we follow each glorious float through the Homecoming parade, as we thrill to the excitement of the announcement of the superlatives, or as we anxiously await the judge's decision as he pores over the beauty photographs.

Among our most cherished memories are those associated with the features of our school year, for a necessary accompaniment to the class room is the active participation in our school's activities.

Who can forget the thrill of becoming one of the honored "Pioneers" or hearing one's name float across the night air as the Homecoming Queen? Who can prevent the tingle of excitement on awaiting the outcome of the Silver Knight competition?

These are an integral part of our education, and a most important section of our school day memories.

FEATURES

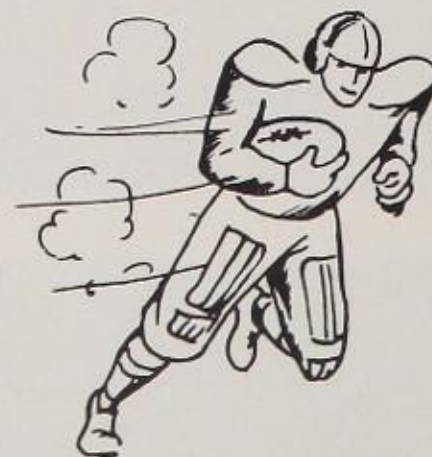

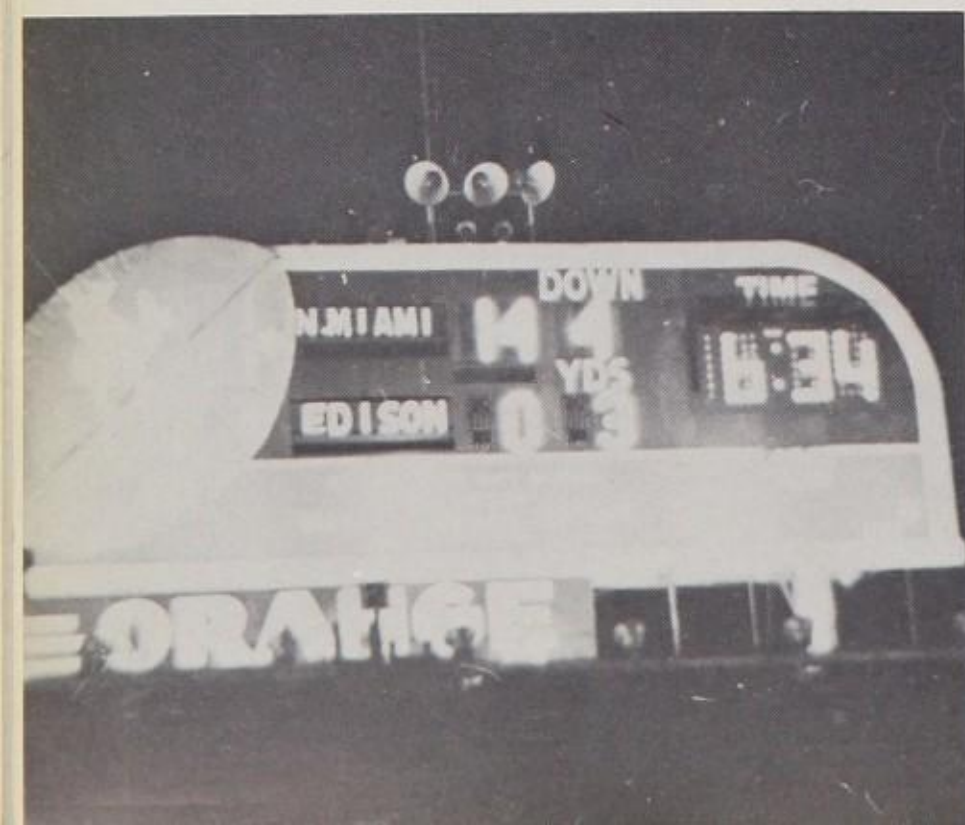

Exhausted and drenched Cheerleaders still have the spirit to sing the Alma Mater at halftime.

First place goes to our Honor Garde who perform during the halftime show at every football game.

North Miami wins their first victory in the Orange Bowl over Edison 14-0.

Coach Sullivan, Defensive Line Coach, gives the Pioneer boys last minute instructions before the game begins.

Even the rain can't drench the North Miami Pioneers spirit and enthusiasm.

Cheerleader Kathy Broe and Pioneers Bubba Howell, Mike Henry and Sandy Reese watch nervously at the kick-off.

Homecoming Queen Candy Collins and her court, Sharon Dowdle, Bunny Williams, Vicki Weithorn and Sandy Reese.

The homecoming court and their escorts wait excitedly until the half-time show.

The library float was one of the beautiful floats featured in the Homecoming Parade.

Candy Collins beams proudly after being crowned Homecoming queen.

First place in the float competition goes to Sorrota Service Club.

Carol Henderson, one of the princesses from last year, crowns Candy as her song "Ain't She Sweet" plays.

"Mmm that looks good!" say Candy Campbell as she relaxes with a magazine.

Not all our learning comes from the class room, for we learn from all we see and hear and do.

Certainly one of the most productive of our sources of education is in our school organizations, for here we find the individual absorbed by the whole with all working for the common good.

Here we learn to bury self and work with others for the goal of the group, making work the principle of democracy. Here we learn that the individual is not all, but an integral part of every organization; here we learn the importance of every member contributing his share in arriving at decisions and translating those decisions into positive action.

Here are found millions of memories: memories of intimate committee meetings, heated elections, serious discussions, consultations with our advisors, and social revels in our parties . . . all form the pattern of moments we want to remember.

STUDENT COUNCIL

This year the Student Council has taken on new importance as the largest and one of the most important organizations in the school. Responsible for guiding the school activities of 3,300 North Miami High students, the Student Council operates through representatives of each homeroom. New this year is a cabinet which serves with the elected officers on the executive board.

Services performed by Student Council include a Friendship Week, Spirit Week, Poinciana Festival, an orientation assembly, pep rallies, the Alumni

Dance and the Student of the Month program. Handbooks, decals, license plates and ribbons are sold in order to raise money.

North Miami High is responsible for editing the Southern Association of Student Councils Journal. This publication is distributed to all high schools in the United States.

Inter-Club Council, I.C.C., headed by the Vice President of Student Council, helps to coordinate the many activities of the various clubs.

MARCHING BAND

Appearing in the half-time show at the North-South Game and participating in the Orange Bowl festivities were two of the major activities of the big Green and Gray Band.

The Band has added much to the spirit of the school by participating in the pep rallies. Their half-time programs have sparkled with originality. Their precision marching and intricate maneuvers are the result of long hours of practice under the

exacting leadership of Mr. Robert Alexander, Band Master.

Many awards have come to the band and to the fine corp of majorettes. This year's majorette captain and choreographer, Bunny Williams, has out done herself in providing the group with scintillating new routines. Working together as a single, well-trained unit, these groups have soared to new heights of success in the field of music.

Our Band officers are Matt Jones, Sergeant; Tony DeSota, Captain; Bentley Shellahammer, Drum Major; and Frank Jones, Lieutenant.

SOLO TWIRLER

Miss Carol

“Candy” Collins

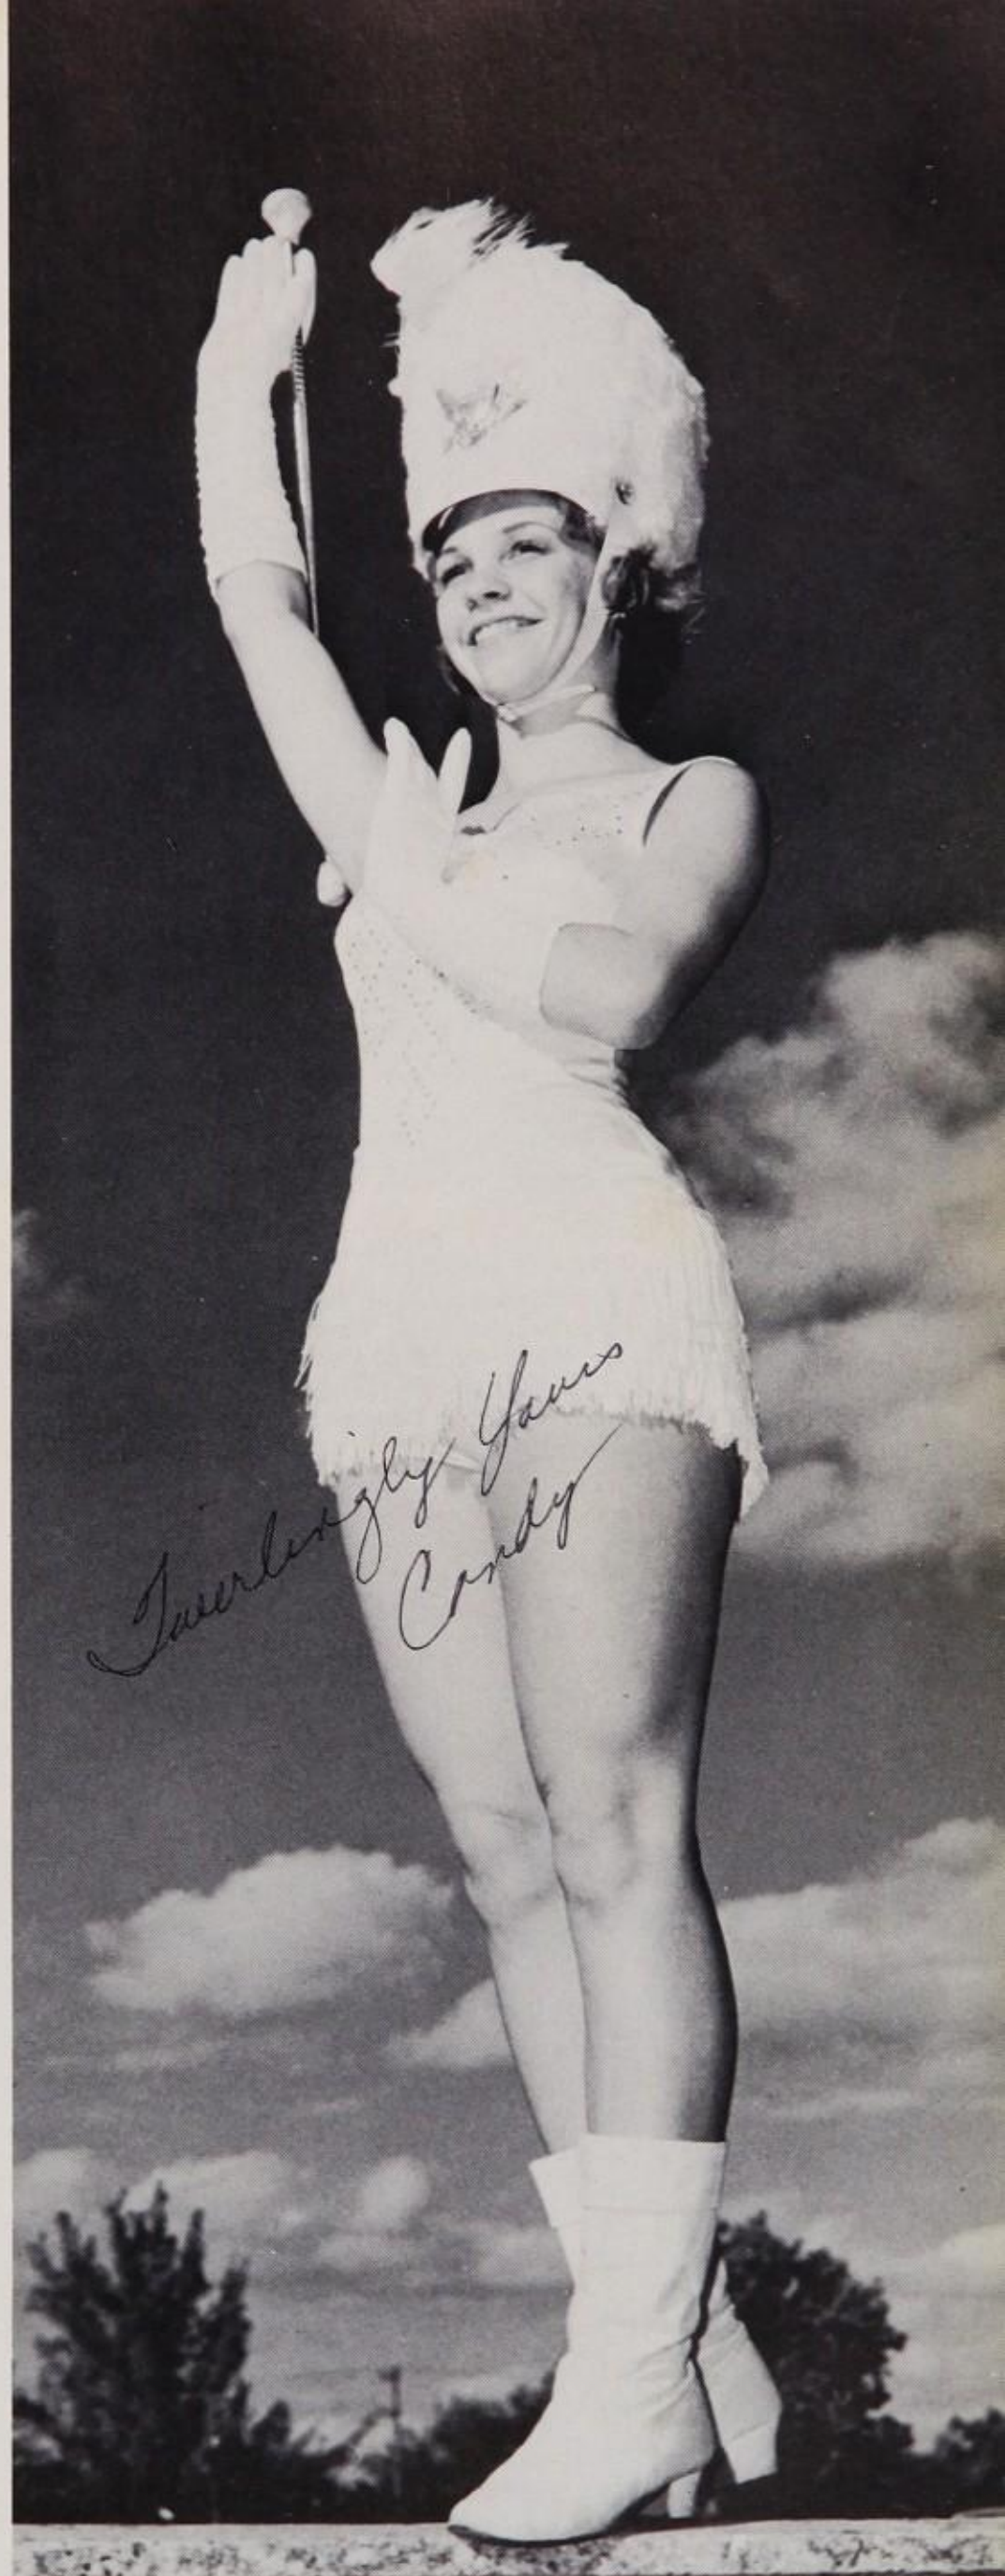

To “Candy”

Seven years ago as a sixth grader, you came to our group as mascot. Since then we have seen you grow up to become a lovely young lady, win twirling titles by the hundreds, become our solo twirler and finally our Homecoming Queen.

Carol, did you know that you have twirled in more than 84 football pre-games and half-time shows, rehearsed with the band over 800 hours plus your own practice, participated in seven Orange Bowl games, five Orange Bowl parades, twirled for Mahi Shrine games, and you have won many outstanding awards and honors.

We just want to say we love you, and we are going to miss you.

CONCERT CHOIR

This the largest concert choir group we have had in the history of North Miami Senior High—109 voices at peak strength. The usual types of programs are prepared including assemblies, television appearances, the sixth annual presentation of Handel's "The Messiah" (with the assistance of the North Dade Civic Choral Society—picture shown also on these pages).

Plans are made each year to enter District and State Music Contests. During past years North Miami Senior High has done extremely well in receiving superior ratings for its work in concert and sight-reading.

Each year's work is concluded with the annual Spring Choral Festival in which all of the choral organizations in our school take part. Concert Choir is responsible for the vocal music used in our graduation ceremonies each Spring in Miami Beach Auditorium.

Students from this group usually form the nucleus of the All-State Concert and experimental choruses at the State Music Clinic held in Tampa each January.

The primary purpose of NFL is to interest high school students in speech activities until they acquire a high degree of effectiveness as speakers. Experiences in creative thinking and in the arts of communication are the best training for our American way of life.

The forensic program includes student congress, discussion, debate, extempore speaking, oratory, and interpretation of literature.

This year the major project of the NFL has been the Speakers Service through which many outstanding speakers have been invited for student assemblies.

YOUTH FOR CHRIST

Youth For Christ Clubs are organized and conducted by students under the supervision of The Y.F.C. office and the school sponsor. Trained and dedicated directors attend each session and guide young people in club programs. Each club proposes to make a moral and spiritual improvement on the club campus. The club motto is "Walk the Talk." Club verse, "Let no man despise thy youth but be thou an example of the believers." I Tim. 4:12

Each club is a practical daily training ground for Christian young people, with benefits accruing to both youth and the local church.

Y.F.C. is an interdenominational youth program, created to reach and challenge the 7 out of 10 unchurched teens in Dade County.

The teen-agers meet each week for challenge and training to live and witness on the greatest "Missionary Field" in the world: The High School Campus.

They have banquets, retreats, conferences and camps, songspirations and christian social activities, gospel films, bible quiz competition, and teen talent contest.

This fine organization works not only for itself, but charitably for others. Among the year's activities on the calendar for these youngsters are their annual County Cooperative Education Day, their Employer-Employee Banquet, the care of an adopted family, and the delivery of Christmas cards.

There are many fine organizations in North Miami, but this group of students can hold its head high with pride for its independence and industry.

SORROTA

"United as a team, in perfect harmony" is the Sorrota Service Club as they render services to the church, school and community.

One of the many services performed this year was the annual clothing drive, held for the Cuban Relief program. Various articles of clothing were placed in boxes throughout the school, which helped refugees in Miami.

Requiring a 3.0 average to join, the Sorrota members work under their motto "You have Hitched Your Wagon to a Star."

Y - TEENS

First organized in 1855, Y-Teens has grown into an international organization with branches in all of the 50 states and many foreign countries.

Under the supervision of their sponsor, Miss Bultman, Y-Teens progressed greatly. New activities were introduced through the club into North Miami by the President, Sandra Morici.

Among its many projects, Y-Teens had its Mother-Daughter Banquet and Installation Services at the Club House Restaurant, two car washes, three bake sales, addressed envelopes to Cuban

families, collected funds for UNICEF and the United Fund and had a winning float in the Homecoming Parade.

Y-Teens introduced "Derby Day" this year to North Miami, a fun day in which all clubs participated for prizes. There was an egg throwing contest and sack races. It was a barrel of fun for all those who participated.

Members of Y-Teens must maintain a 3.0 average for the year and must be in good standing with the school and the community.

FIRST ROW, LEFT TO RIGHT: Miss Bultman. SECOND ROW: J. Katz, P. Edwards, L. Weinberg, R. Liss. THIRD ROW: R. Herbert, J. Lipari, J. Cox, C. Luksa, B. Phipps.

"These are the new membership applications," says S. Morici to B. Phipps, L. McNicol, B. Werner, S. Walker, D. Miner, C. Bennett and T. Weigle.

Marcia Traband and Letson Plant are Y-Teen's sweethearts.

Senior Y-Teen members are: Row 1: L. McNicol, K. Fritz, S. Morici, B. Ranch. Row 2: S. Walker, B. Werner, D. Miner, A. Howells, C. Widdekind, A. McSheehan. Row 3: M. Traband, R. Osborne, C. Prater, B. Trick, L. Plant, M. Farrar, J. Oliveri, M. Barber, L. Gray.

The thundering roar of the crowds spreads over the gridiron and slowly dies away to join the slumbering ghosts of the past as the game is over, but the glories of the contest live on in our treasure chest of memories as we relive those thrilling moments in our 1961 Conestoga . . . our collection of moments to remember.

No one will forget the thrilling victory over our arch-rival or the bitter taste of defeat after a hard-fought basketball game, and who will forget the sudden catch of breath as the sprinters roared in to break the tape in that big track meet. The smash of the serve, the crack of the bat, and the suddenness of spring . . . all are carefully stored for us in our memories.

And who can deny the tingle of pride as an athlete lends a helping hand to a fallen opponent in an example of the sportsmanship which makes our memories of North Miami athletics live forever?

VARSITY FOOTBALL

The 1960-61 football season was filled with excitement as we won our opener, 14-0, over a bitter rival of long standing, the Edison Red Raiders.

The Bogartmen lengthened their winnings by trouncing the Norland Vikings 39-13.

The next game was lost to a mighty Gables team 13-0, but the Pioneers bounced back in the next meeting on the gridiron, ran over the Curley Knights, 40-27.

A strong Miami High team, winning 26-7, gave us our second defeat, but the Pioneers, not to be daunted, sought and got revenge in a 19-0 victory over the Jackson Generals.

The powerful Jacksonville teams handed North Miami two defeats in a row, Jax Jax, 14-7, before a disappointed Homecoming crowd, and Jax Lee, 25-7.

The season ended on a joyous note, as the valiant Pioneers sprang back from these two setbacks to overpower a gallant Hialeah eleven for a 19-6 win, giving North Miami a seasonal record of five wins and four losses.

NORTH MIAMI OVER POWERS EDISON

Coach Red Bogart found himself swept off his feet in the Orange Bowl as he led the Pioneers in their season opener to a smashing victory over Edison's Red Raiders.

The two touchdowns came from Pete Saponaro and Chuck Fieldus respectively. Saponaro's came in the final play of the first quarter as he burst through his left tackle for the six yards to the goal line.

Fieldus took his from the Edisonites in a 10 yard scoring dash around the right end early in the fourth quarter.

Surefooted Harry Pingston, End, did the kicking for the extra points, and gave North Miami their final score in the game that broke the Pioneers' Orange Bowl jinx.

Three Bogartmen fall on one of the Red Raiders as fake strategy fails.

Coach Haywood Fowle's Raiders take down Pioneer runner.

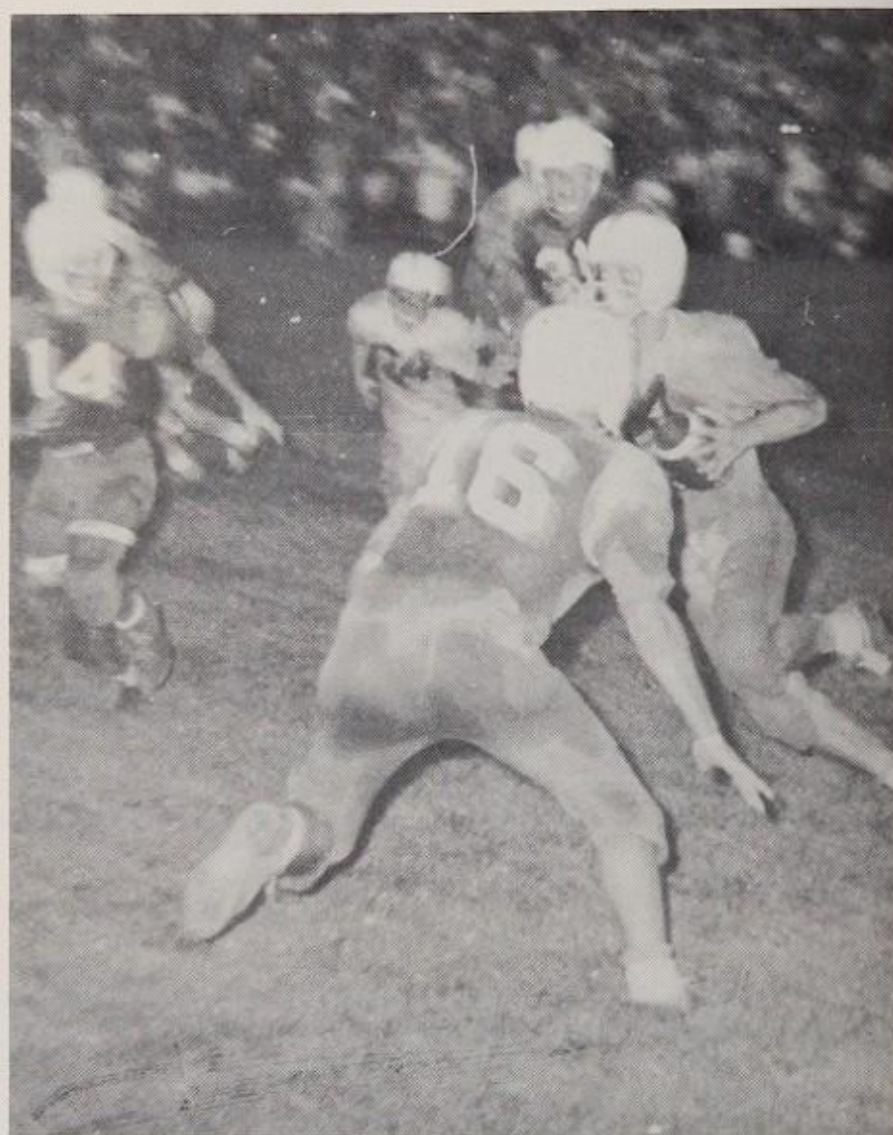

PIONEERS TOO MUCH FOR NORLAND

Pioneer head mentor, "Red" Bogart, analyzes the next play as North Miami advances against the Norland Vikings.

Norland runner is surrounded by Bogartmen when Pioneers and Vikings clashed.

A combination of an inexperienced Viking eleven and a determined Pioneer squad was too much for a plucky Norland contingent as the Bogartmen emerged with a 33-12 victory.

Flury ran the ball 60 yards for a touchdown on a punt return; his second came when he took a screen pass from Fieldus and ran 25 yards into the end zone. His third score came on a spectacular 72-yard run.

Fieldus, Sapanaro, and Hungerbuhler each had six points, with Harry Pingston kicking three extra points.

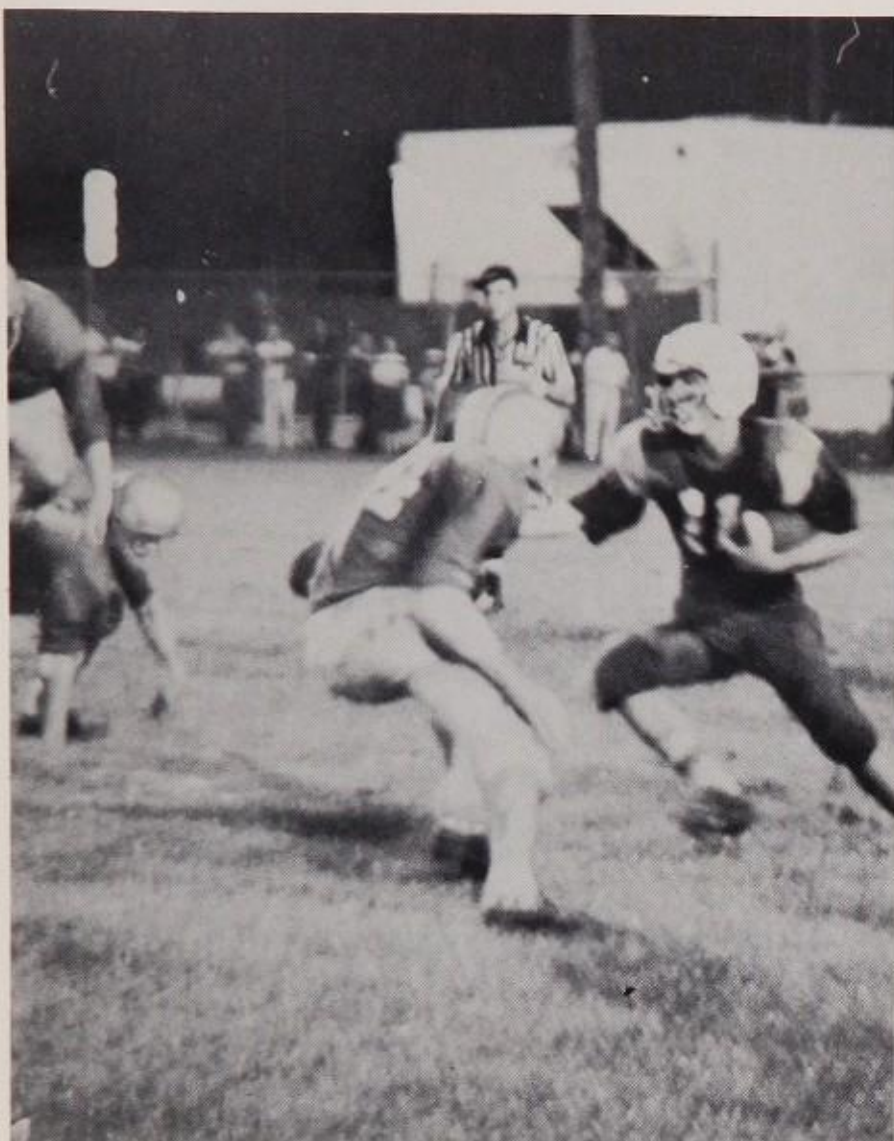

Eddie Gymrek, a Viking halfback, took a 16 yard pass from his quarterback to give Norland their first score, and their second and final score came with one minute to play as quarterback Larry Adams went over from his nine.

In net yards gained, North Miami had 357 yards compared to Norland's 197.

Letson Plant is almost a "lonely end" as he catches a pass that rattled Norland defense.

CAVILERS TOP NORTH MIAMI

Chuck Fieldus cuts inside as three Gables defenders close in.

Pioneer Pete Saponaro crumbles after short gain against Coral Gables.

Pioneer halfbacks' fake attracts a Gables defender.

Coral Gables' quick Cavaliers stormed North Miami's Bogartmen 13-0, despite fine play by the "Big Three", Fieldus, Flury, and Saponaro.

Playing before 8,000 fans at the victor's field, the Pioneers played their hearts out for a last minute miracle. Power driving the ball to the Cavalier 23 yard line in their final second desperation moves, they lost the ball and gave up the second six point scoring for the Gables team.

In the remaining seconds the Cavaliers kept complete control of the pigskin, North Miami stayed two TD's behind.

Defensive Pioneers move in.

With five minutes to play the fired-up Bogart-men turned near defeat into a 40-27 victory before 7,000 screaming fans at North Miami's field.

With five minutes left in the game, Wally Flury ran 16 yards to put the Pioneers ahead for the first time in the game. Ninety seconds later Flury scampered 35 yards to wrap up the victory.

There was no stopping the Pioneers after that. For insurance Tommy Thomas, the big linebacker for North Miami, barreled 40 yards on an interception for the final touchdown.

Fieldus connected on five of eight passes for 113 yards and scored the Pioneer's first touch down on a one-yard sneak.

Laxon gained 56 yards rushing while Saponaro picked up 20, including a five yard touchdown run with one second showing in the half.

Pioneers fight for yardage against Miami Jackson's Generals.

There just wasn't any stopping Dade County's top scorer, Wally Flury, as he made touchdown after touchdown against Miami Jackson to create a complete rout over the Generals, taking them with a cool 19-0.

End Letson "Legs" Plant did an outstanding job during the game on everything from catching long passes to tackling opposing team members.

Also striking observers with his splendid open field form during the heated grid bout in the Orange Bowl was North Miami's defensive half-back, Phil Caprio. Phil came amazingly close to hitting paydirt twice on punt returns.

Jaxsonville's Robert E. Lee High School swung their grid power over the Bogartmen's heads in the Gator Bowl, as their second in the state standing topped all Pioneer efforts of attack.

PIONEERS JINX JAXSON

Pioneer Quarterback Chuck Fieldus breaks away for twenty yards against the Jax Lee Generals.

Arriving at the Jacksonville field after several hours in the trains going up; tired and haggard they played as hard and as fast as they could, with Coach Bogart throwing all he could into it. But it wasn't enough.

The Lee Generals, who were second only to Miami High's Stingarees in state competition, rolled over the Pioneers, through their defense, stopping their offense.

Boarding the train with a 25-7 defeat, North Miami's exhausted warriors returned.

Their loss, by most, is considered to have been a direct result of the loss of End Bill Broeman with appendicitis, and Walter Kates, who had dislocated his shoulder.

HIALEAH FEELS PIONEERS' POWER

Sapornaro fights for yardage.

North Miami's powerful defensive eleven came back in the second half to lead the Pioneers to a 19-6 win over the Thoroughbreds of Hialeah in the last game of the season.

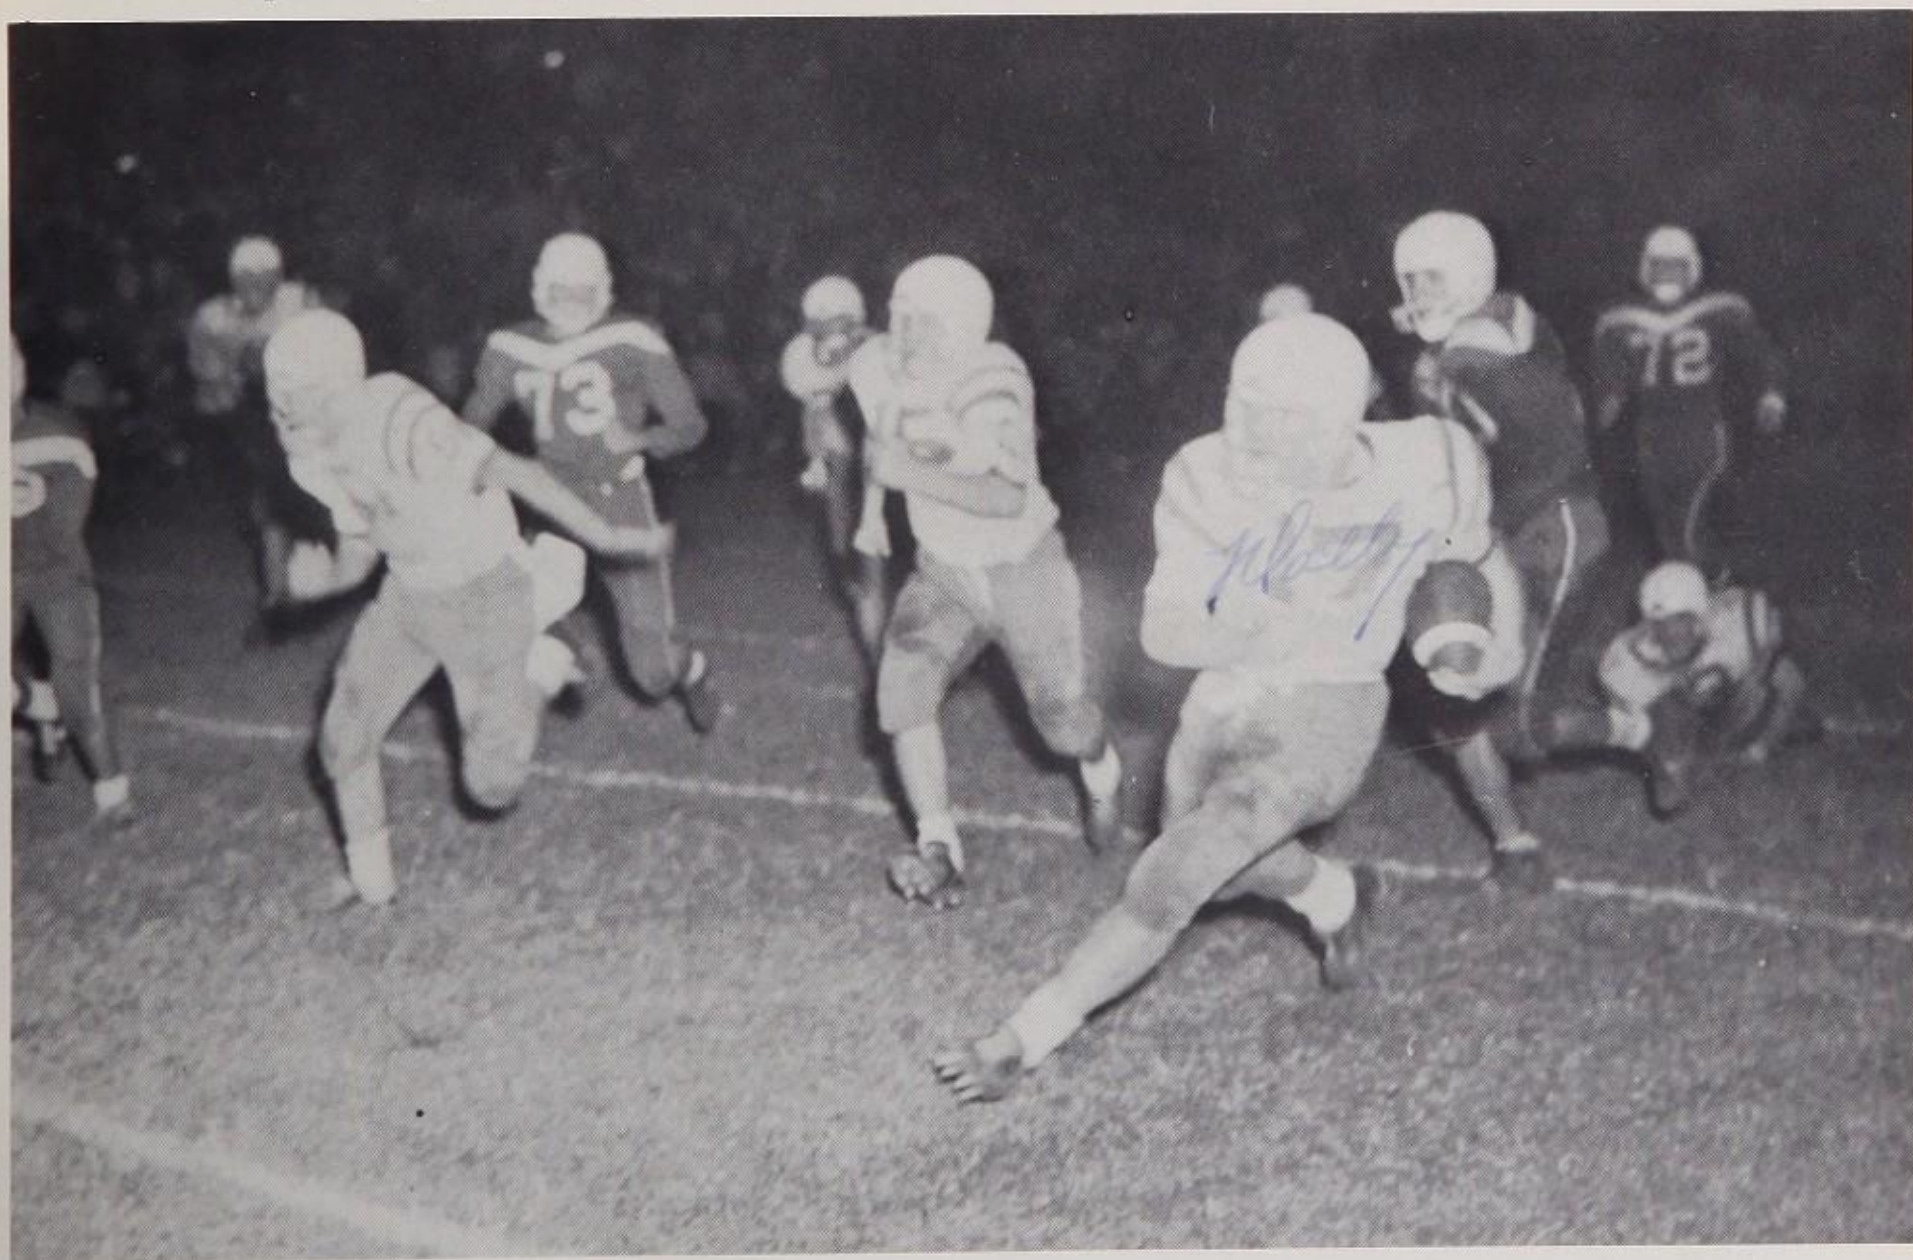

The Thoroughbreds held on to a thin 6-0 lead going into the second half; Chuck DeFrancisco then threw their quarterback for an eight-yard loss. On the next play he recovered a fumble.

Fullback Adrian Laxson then hit for 11 yards. Two plays later Chuck Fieldus rolled around left end for a touchdown. Pingston booted the extra point for a 7-6 lead.

With two minutes remaining the Pioneer's were on the Hialeah one yard line. Laxson went in for the score, but Pingston's boot failed, making the score 13-6.

With 14 seconds left to play tackle Steve Long intercepted a stray Hialeah screen pass and raced 37 yards untouched for the last Pioneer touchdown of the season.

This win gave the Pioneers a 5-4-0 record for the 1960-61 season.

GYMNASTICS

Coach Cicio, North Miami's gymnastic coach and contender for the Olympics last year, formed the only co-educational club on campus in 1960.

The club consists of three parts, and members can belong to all three. Gymnastics is the first part, and is the pure exercise field. Second on the agenda is Gymkana, the show business portion. Here the fellows and girls practice gymnastic tricks for shows, and it will not be uncommon to see a few people juggling in the gym. Third, is Gymnastica Honorary, and students must hold a 2.8 school average to belong to this portion of the newly organized program.

Beginning the gymnastics season, Coach Cicio's team took the South Florida Novice AAU Gymnastics Championships held in North Miami's own gymnasium.

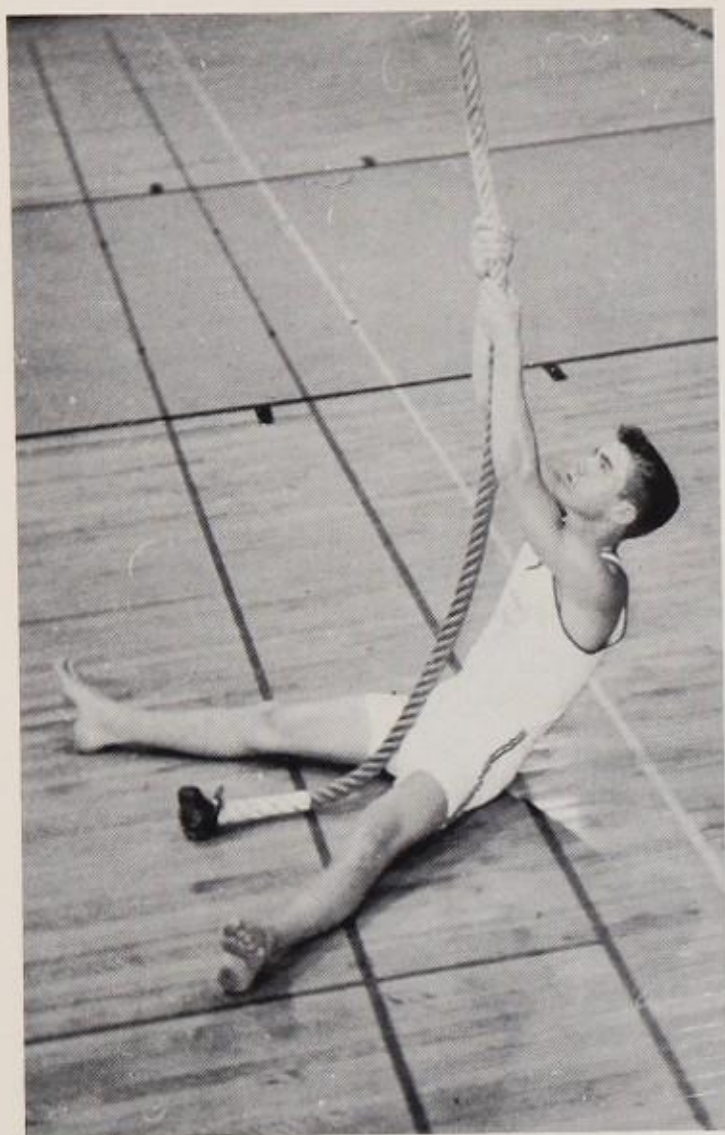

Approximately 60 registered AAU high school students were represented unattached by their respective schools. Bubba Howell took a first place in the rope climb for the Pioneers, Paul McDonald took a first in the side horse, and Tom Honeycutt took three firsts; one in tumbling, trampolene, and free calisthenics.

This year over eighty boys started the season with the track team. After many days of gruelling practice, the team was narrowed down to 40 boys.

A great part of the treasury of memories which we store for ourselves is found in our classmates.

How fondly shall we look back on those moments when the halls are crowded with our friends, when we pore over tomes of wisdom together, when we argue and try to make our point, when we desperately sell magazines to make our prom a success, and when we frolicked at the beach on "Skip Day."

No, not all our memories will fall under a social category, but will be found in those moments when we worked and played together, proud in the knowledge that we were a "class," the best class that North Miami ever had. Our alma mater . . . our friends . . . our teachers . . . all find their rightful place in our classes.

For the past two years the Class of '62 has been building up enthusiasm and determination to make all its undertakings the most successful yet. During the year they demonstrated their initiative with the Jr. Class Play, "Our Town", bake sales and other fund raising projects. The Junior Class's main fund-raising activity was a magazine drive, which was completely successful. This project has been in affect for several years at North Miami Senior High School. The '62 officers worked long and hard to make this year's Junior-Senior Prom the biggest social event this school has ever seen.

"Make sure I receive those stories by tomorrow," warns Elaine Edwards.

Mr. Rice shakes Jerry Lanning's hand as he wishes him a good trip. Lynn Dickinson looks on.

The crowd waits anxiously before the start of the Edison game.

When You Walk Through A Storm Keep Your Head Up High,
And Don't Be Afraid Of The Dark.

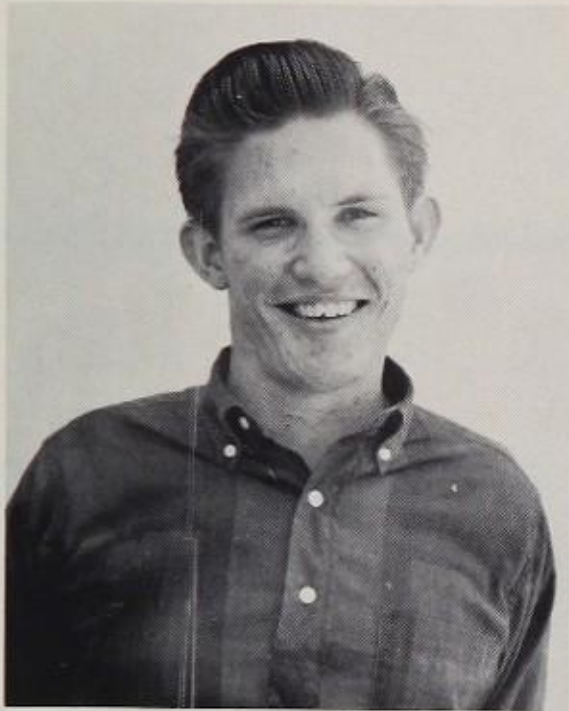

At The End Of The Storm Is A Golden Sky And The Sweet
Silver Song Of The Lark.

Walk On Through The Wind, Walk On Through The Rain
Though Your Dreams Be Tossed And Blown.

Walk On, Walk On With Hope In Your Heart And You'll
Never Walk Alone; You'll Never Walk Alone.

Without the active participation, support, and cooperation of those friends and neighbors who follow in this book, our Conestoga would never have been possible.

Whether our fondest memories are of a football game, the big prom, a favorite teacher, or our service club, none would have been recorded to enjoy year after year . . . long after others have taken our places, without the friendly aid of the merchants and businessmen who have lent their support to make such a recording possible.

Long after these memories have become dim, long after the moments are over, these fine neighbors go on serving by retaining in printed form these cherished memories . . . and by serving our community with pride.

As we take our place in adult society, let us not forget these friends who have helped us keep these . . . moments to remember.

 So you want me to
 sign your yearbook.
 Sorry, I'm a little off today.
 You're always so quiet sitting over there
 by the blackboard, drawing pictures and
 looking out the jalousies at ~~the~~ Lord knows
 what. You're a very intelligent boy. (I had to
 say something nice about you.) Honestly, you are very
 smart and very nice. I'll probably be seeing you next
 year. Stay Happy!

Marv -
 I can't really find
 the right words to say to
 you, because you are different
 from any other boy I have met.
 You are truly a great guy
 with a good personality and
 "unusual" sense of humor. I hope
 we will have a class together next
 year so it will make it more
 enjoyable. Always keep your friendly
 smile and don't ever change your
 ways. Have a nice summer, but be
 good! (If you can!)

Love & Luck always,
 Cheri Bradley

 me up & listened
 to my troubles.
 You are truly
 unique in the

 My impression of you

 and was the very first to
 stand.
